

PRIVACY POLICY

Effective Date: February 2026

This Privacy Policy explains how Erin Danielle Bunn ("we," "us," or "our") collects, uses, and discloses information about you when you use the mobile application Smart Assistant Commands (the "App").

1. INFORMATION WE COLLECT

We do not require user registration or accounts. However, to provide and improve our services, we collect certain technical data automatically through third-party partners:

Identifiers: We may collect User ID (randomly generated) and Device ID.

Usage Data: Information regarding your interactions with the App (Product Interaction), such as features accessed and time spent in the App.

2. THIRD-PARTY SERVICES

We use the following third-party services to help us analyze and optimize our App:

Firebase (Google): Used for analytics to understand how the App is performing.

Adjust: Used for attribution and marketing analytics.

Pushwoosh: Used to send and manage push notifications to your device.

3. SUBSCRIPTIONS AND PAYMENTS

All financial transactions and subscription management are handled directly by Apple Inc. via the App Store. We do not collect or store your credit card numbers or banking information.

4. DATA RETENTION & COOKIES

Cookies: We do not use cookies or similar tracking technologies.

Retention: We retain the collected analytical data only as long as necessary to fulfill the purposes outlined in this policy.

5. CHILDREN'S PRIVACY

The App is rated for ages 4+. We do not knowingly collect personal identifiable information from children. The data collected is used solely for internal operations and analytics to improve the user experience.
