June	<p>Multimedia: Connect the Dots podcast Season 7 – Rollout was delayed a couple months but successfully began in early June</p> <p>Publication: Carbon capture and storage policy brief (6/28) – SUCCESS</p> <p>Webinar: Climate justice on the state level (6/29) – SUCCESS</p>	<p>Note: The media and the lay public aren't intended audiences for the CCS policy brief, so we can publish it with a slimmed-down release package (light design, no press release, highly targeted blast email, blog post, non-comms team outreach to allies, partners, and policymakers)</p>

2023 CPR Publications and Events Calendar

July	Analysis: Climate, Energy, and Regulatory Democracy Data – delayed a week and a half but successfully published	<p>Note: The MD federal funding playbook has been offloaded from CPR, so it's no longer on our publications calendar here.</p> <p>Note: Upon further reflection, we decided a webinar on carbon capture and storage was not a good use of our time, especially given the highly technical nature of the June brief.</p>
August		No publications should be scheduled for August.
September		
October		
November	Publication: CA climate justice funding mechanisms report (either before Nov. 15 or the week after Thanksgiving)	
December	<p>Commentaries: Op-eds, letters to the editor, and/or blog posts on Endangered Species Act 50th anniversary (before Dec. 10)</p> <p>Video: ESA at 50</p>	No publications should be scheduled for December.
