February 2023

Welcome to Grimsley,

We are excited that you will be joining us as a student at Grimsley High School for the 2023-2024 School Year!

It's a very exciting place to be – strong academics with International Baccalaureate, Advanced Placement, Spanish Immersion and advanced language classes. Our SAT scores have consistently been above the state and national levels and our students have been awarded scholarships in the range of 15 million dollars each of the past 5 years. We also have a comprehensive career and technical education program that enables students to get experience in Medical Careers, Business, Carpentry, Childhood Education, and Computer Technology. With the addition of orchestra, band, and the art programs, Grimsley offers a well-rounded curriculum.

With over 87 clubs, 30 athletic teams and a diverse student body, it is easy to see why Grimsley was ranked 12th in the state by niche.com.

The transition from middle and high school can be a challenging experience. Extra help is always available at Grimsley. All of our teachers offer after school tutoring. We also have APEX, a computer program for remediation and course recovery, to ensure a timely graduation. NCVPS (North Carolina Virtual Public Schools) and Edmentum are other options for Grimsley students where courses are offered on-line during the summer and the school year for high school credit.

We are proud of our Grimsley students and hope you will join in the excitement of being a "Whirlie"!

Please call the Counseling Center at 336-370-8184 if we can be of further assistance in your transition to Grimsley High School.

Sincerely,

Grimsley Counseling Department

grimsley high school

Enrollment Process

FROM A GUILFORD COUNTY PUBLIC SCHOOL

- ★ Students are assigned to the appropriate high school by their current GCS Middle School.
- ★ Rising 9th Graders that are currently enrolled in a Guilford County school will be assigned to their districted high school based on their current address on file. No action is required by the parent.
- ★ If approved for a Magnet Option, Special Program, or School Reassignment, the current GCS Middle School will assign the student to the appropriate school once the parent accepts the offer to attend Grimsley.
- ★ If you have any questions about your next year school assignment, please contact your current GCS Middle School Counseling Department.

FROM A PRIVATE OR CHARTER SCHOOL

Guilford County Schools has transitioned to online enrollment. Please visit gcsnc.schoolmint.net to enroll and select "Create Account". Your enrollment is finished when the Online Enrollment is completed, and all required paperwork is received by the Registrar. After you have completed the online enrollment, you will be contacted for an appointment with a Counselor. This meeting will be your opportunity to choose your classes and ask any questions you may have.

Important Dates:

- ★ Magnet Enrollments January 13th – February 20th
- ★ In-District Enrollment Opens in SchoolMint on May 1st – if you live in Grimsley's district you may begin your application on May 1st.
- ★ Reassignment Enrollments Opens in SchoolMint on April 1st

REQUIRED DOCUMENTS FOR ENROLLMENT:

- ★ Proof of Address: original (current month) gas, oil, water, or electric bill in the name of the parent or court appointed guardian/custodian
- ★ The parent or court appointed guardian/custodian must provide his or her driver's license.
- ★ Student's Birth Certificate
- ★ Immunization Record

- ★ A final transcript from your previous school with all grades included. We will accept your final 8th grade report card.
- ★ Health Assessment: Every child in grades K-12 NEW to North Carolina Public Schools is now REQUIRED to have a North Carolina Health Assessment Transmittal Form. It must be completed and submitted within 30 calendar days of a child's first day of attendance. Assessment/Physical are not required to be completed by a North Carolina Physician, but must be completed on the North Carolina Health Assessment Transmittal Form. If you need a form please use the NC Health Assessment Form.
- ★ If your child has an IEP, please upload a copy to SchoolMint during enrollment.
- ★ If applicable, any custody papers if parents are separated/divorced or if the student is living with someone else. This must be a COURT ORDERED document – Notarized forms are not acceptable.
- ★ Should a student be transferring from a homeschool or non-accredited private school, the following must be provided: Attendance records, homeschool license from the North Carolina Dept. of Non-Public Education, course titles, materials used, contact hours completed, and standardized test results. Credits will be assigned after GCS curriculum specialists review the materials. For additional information and to obtain the form needed to petition for credits, please use the GCS Transfer Credit Approval Process.
- ★ To apply for Free or Reduced Lunch, please visit www.LunchApplication.com

You should contact the GCS Student Assignment Office at (336) 370-8303 if your student:

- ★ Lives outside of the Grimsley attendance zone
- ★ Lives with an individual other than parent(s) or court appointed guardian/custodian
- ★ Lives with one parent but wishes to attend school in the attendance zone of the other parent.

If you have any additional questions about the enrollment process, please email our Registrar, Mrs. Duncan, at duncana@gcsnc.com.

grimsley high school

Graduation Requirements

CLASS OF 2027

CREDITS REQUIRED TO BE PROMOTED TO THE NEXT GRADE:

Sophomore:	5 Credits
Junior:	10 Credits
Senior:	16 Credits
Graduate:	22 Credits*

*While you must have 22 credits to graduate, there are specific course requirements that must also be met to meet the graduation requirements.

All Graduating Students MUST have a CPR Credit to Graduate!

GRADUATION COURSE REQUIREMENTS:

English Credits:	4 Credits
Math Credits:	4 Credits
Science Credits:	3 Credits
Social Studies Credits:	4 Credits
Health/PE:	1 Credit
Foreign Language:	2 Credits minimum if a student plans to attend a 4-year college or university)(NOT a graduation requirement)
Elective Credits	6 Credits (Arts, CTE, etc.)

*Course options that meet credit requirements are noted further in the packet.

B	80-89	3	3.5	4
C	70-79	2	2.5	3
D	60-69	1	1.5	2
F	Below 60	0	0	0

grimsley high school

Credit by Demonstrated Mastery

Some students are writing wizards; others excel at math. Since the 2014-15 school year, GCS students have had the chance to receive credit for some courses without completing classroom instruction.

It's all part of our focus on personalizing learning, and away from requiring all students to sit in a classroom to prove they understand the concepts. Instead, students who can show they have mastered the standards will receive credit for that knowledge and can move on to the next level.

This isn't for students who are "good at" some subjects. It's for students who can show they have a deep understanding of the content without classroom experience. Students who accomplish that will receive a pass/fail grade and credit.

WHO IS ELIGIBLE FOR CDM?

GCS high school students may apply for CDM for high school course credit. Middle school students may apply for high school-level courses taught in middle school.

HOW DO I DEMONSTRATE MASTERY?

Students demonstrate mastery through a two-part assessment process.

Phase I: A standard exam, which shall be the EOC where applicable or a final exam developed locally.

Phase II: An artifact that requires the student to apply knowledge and skills relevant to the content standards.

Performance tasks may be required.

Students must demonstrate mastery, not just proficiency, on Phase I to be eligible for Phase II. For example, a student must score a 94% or higher on a local exam.

HOW MANY COURSES COULD I PASS THROUGH CDM?

Students may earn credit using CDM for as many courses as they wish; however, students may only make one attempt per course. Some courses are exempt from the CDM process.

Additional information and important dates can be found on the Guilford County Schools website www.gcsnc.com

grimsley high school

English Course Options

ENGLISH 1

The English 1 Student:

- ★ Writes at grade level.
- ★ Demonstrates a need for guidance in application and analysis of material and in written expression.
- ★ Generally needs some mentoring skills support.
- ★ Should expect 20–30 minutes of homework per night.

HONORS ENGLISH 1 (accelerated and covers subjects in more depth)

The Honors English 1 student:

- ★ Is generally highly self-motivated.
- ★ Exhibits a strong work ethic.
- ★ Shows a high degree of maturity in written expression.
- ★ Demonstrates a high level of independence in application and analysis of material.
- ★ Should expect 30–60 minutes of homework per night.

GRIMSLEY HIGH SCHOOL - ENGLISH SEQUENCING OPTIONS

grimsley high school

Math Course Options

The expectation is that all students will complete Math I, Math II, Math III, and one math course beyond to meet the graduation requirement for four math credits.

The math course for each 9th grader is based on the Math course they completed in 8th grade. Students and Parents/Guardians should refer to the Sequencing Options Chart linked below to help them determine which course to register for, based on the course they completed in 8th grade.

[GRIMSLEY HIGH SCHOOL - MATH SEQUENCING OPTIONS](#)

grimsley high school

Science Course Options

Students are required to complete three science credits for graduation in each of the following areas:

- ★ Biology
- ★ An Earth Science
- ★ A Physical Science (Physical Science, Chemistry, Physics)

Rising 9th Graders have the option to take either Earth and Environmental Science or Biology.

EARTH AND ENVIRONMENTAL SCIENCE

- ★ Students who scored a level 1 or 2 on the middle school EOGs.

HONORS BIOLOGY

- ★ Students who scored a level 3, 4, or 5 on the middle school EOGs.

[GRIMSLEY HIGH SCHOOL - SCIENCE SEQUENCING OPTIONS](#)

grimsley high school

Social Studies Course Options

All students are required to have four social studies credits to graduate.

Beginning in the 2022–2023 school year, students will have the option of taking one of three courses to meet the 9th Grade Civic Literacy Graduation requirement. All three courses are listed below with recommendations for student placement.

CIVIC LITERACY

- ★ Students who scored a level 1 or 2 on the Reading EOG.

HONORS CIVIC LITERACY

- ★ Students who demonstrate a strong work ethic.
- ★ Students who scored a level 3, 4, or 5 on the Reading EOG.
- ★ Students who plan to attend a four year college.
- ★ Students who plan to take AP World in 10th grade.

AP US GOVERNMENT

- ★ This is a College–Credit course and will require students to complete a lot of independent work in and outside of class.
- ★ Students who scored a level 5 on the Reading EOG.
- ★ Students who passed their 8th grade Social Studies and English Class with an A or B.
- ★ Students who are self-motivated and able to work independently.
- ★ Students who are able to construct a written response to a prompt or question using textual evidence.

GRIMSLEY HIGH SCHOOL - SOCIAL STUDIES SEQUENCING OPTIONS

grimsley high school

Visual and Performing Arts

ART

All students wishing to take Art II, as a ninth grader, must obtain and submit a recommendation form to be completed by your current eighth grade teacher. Portfolios are required and must be returned to Mr. McInturff in the Art Department at Grimsley by Mid-May 2023. Final decisions to take Art II will be determined by the Grimsley Art Department.

PROCESS FOR ALLOWING A STUDENT TO ADVANCE TO ART II WITHOUT HAVING TAKEN ART I AT THE HIGH SCHOOL LEVEL

Because the visual art curriculum is sequential in nature, and each level builds upon the previous one, it is *strongly recommended* that each student **complete the course levels in order** rather than skipping Art I. However, those students who believe that they can handle *the increased depth, workload, and expectations* of Art II without having completed Art I are *required* to complete the steps below: (amendments may be made annually, as needed)

1. Student should have taken, and been successful in, both 7th and 8th grade art in middle school. (At the very least, students should have taken a year-long art course in 8th grade);
2. Student must ask his/her middle school art teacher to complete the checklist of objectives met by student and a reference regarding such items as sense of responsibility, ability to accept criticism, etc.;
3. Student will present a portfolio of required items to high school art teacher(s) during a specified time frame. Portfolio should include an example of:

Contour drawing from direct observation

Linear perspective

Figure/face drawing from direct observation

Pen and ink

Use of value to shade

Photos of 3D work if available

Good use of elements and principles of design, including color theory

Good composition

Art teachers will then make a final decision on appropriateness of placement and notify student, parent, and counseling office in a timely fashion.

For registration purposes, sign up for Art I and then if approved, you will be scheduled for Art II.

ORCHESTRA

- ★ Students can sign up for repertory orchestra without an audition. Students must have prior orchestra experience to sign up (ex. Middle School orchestra or equivalent).
- ★ Honors orchestra auditions for incoming 9th graders by appointment. Appointments must be made with Brittany Green Stimpson at greensb@gcsnc.com.
- ★ Audition Requirements for Honors Orchestra:
 - Prepare at least three major scales/arpeggios of your choice in as many octaves as possible.
 - Prepare a solo that best represents your playing ability
 - Be prepared for sight reading

CHORUS

All 9th graders (and 10th graders who were not in choir as 9th graders) are automatically placed in entry level ensembles unless they have scored at Proficient level on the GCS Music Placement Exam administered in the 8th grade and/or auditioned in person. Those who qualify at Proficient level or who have significant singing experience may schedule a private hearing for ensemble placement with Mr. Johnson by emailing grimsleyvocalmusic@gmail.com. Visit our Instagram, Facebook Page, and Youtube Channel to see and hear the amazing ensembles that you can look forward to joining! Just search for GHSVM or Grimsley High School Vocal Music. Chorus classes offered include Men's Chorus, Women's Chorus, Concert Choir, Show Choir, and Madrigal Singers (we dress up in Renaissance style swag!). There are currently no extracurricular choirs.

Singing in chorus requires no previous experience, but auditions are competitive for upper-level choirs. Signing up in 9th grade increases your chances of advancement and enjoyment. Tell your counselor you just HAVE to be in choir!

Much like the movie "School of Rock", we are now also offering Modern Band. Interested singers, guitarists, drummers, bassists, keyboardists, rappers and songwriters should contact Mr. Johnson to see if this class is the right fit for you.

BAND

This is only the beginning; be a part of the music!

Band Courses Offered:

- ★ · Honors Band Advanced (Wind Ensemble) – Audition required
- ★ · Honors Band Proficient (Concert Band) – No audition required
- ★ · Honors Band Proficient (Percussion Ensemble) – No audition required
- ★ · Honors Jazz Band Advanced (Jazz Ensemble) – Audition required

When a student registers for HS band, they are automatically placed in Concert Band (Honors Band Proficient) or Percussion Ensemble (Honors Band Proficient), unless they audition and are placed in a more advanced ensemble. The advanced ensembles are wind ensemble (Honors Band Advanced) and jazz ensemble (Honors Jazz Band Advanced). Placement into one of these groups requires an audition.

There is no audition to be in high school band! Auditions are only for advanced ensembles. Any student with previous band experience can take a band class at the high school.

How to Register for a Band Class: <https://www.gcsnc.com/Page/80498>

Marching Band:

Marching band is open to all students. No audition is required for flute, clarinet, saxophone, trumpet, horn, trombone, baritone, or tuba to play in the marching band. An audition is required to join the drum line. ·

Full Band Camp: August 7-11, 2023 (Link for Grimsley Band Calendar:
<https://www.gcsnc.com/Page/57168#calendar155777/20230214/month>)

- ★ Registration for marching band will be from April 15-May 15, 2023. You will find the link on Mr. Ray's page at <https://www.gcsnc.com/Page/64896> beginning April 15, 2023.

Drumline Auditions:

- ★ Monday, July 31, 2023 (9:00 am to 4:00 pm) – Grimsley Band Room
- ★ Contact Mr. Ray, Mr. Baker, or current members of the drum line for information about preparing for auditions. rayj2@gcsnc.com or bakerc4@gcsnc.com.
- ★ Drumline Camp: July 31-August 4, 2023 (9:00 am-4:00 pm) – Grimsley Band Room

Auditions for Advanced Ensembles:

- ★ May 1-3, 2023 (A sign-up genius will be used and posted on Mr. Ray's website by April 1, 2023. Link above.)
- ★ Auditions will be held in the Grimsley Band room.

Wind Ensemble Auditions:

- ★ Audition requirements are this year's All County materials (2022-23).
- ★ All students auditioning for Wind Ensemble will play their current year's audition material. Rising 9th graders will play the middle school scales and solo.
- ★ Auditions will include scales, solo, and sight-reading.

Jazz Ensemble Auditions:

- ★ Audition requirements are listed on Mr. Ray's website under All County & All Region Jazz 2022-23: <https://www.gcsnc.com/Page/80731>
- ★ Visit Mr. Ray's website for more information: <https://www.gcsnc.com/Page/49381>

Questions can be emailed to Mr. Ray at rayj2@gcsnc.com.

Frequently asked questions about high school band can be found here: <https://www.gcsnc.com/Page/80763>

grimsley high school

Career and Technical Education

Career and Technical Education (CTE) classes cover business and marketing, software applications, childcare, medical training, computer science, electrical trades, and carpentry

grimsley high school

JROTC

The U.S. Army Junior Reserve Officers' Training Corps (JROTC) is one of the largest character development and citizenship programs for youth in the world. "JROTC's mission, "To Motivate Young People to be Better Citizens", is the guide post for the program's success. The curriculum is rigorous and relevant to 21st century education. Our curriculum meets the standards of Common Core State Standards. Cadets learn / apply the curriculum using technology in the classroom, earn service-learning hours, and offers honors course for our third- and fourth-year Cadets.

There is NO OBLIGATION to join the military if you enroll in JROTC.

grimsley high school

Global Languages

In June 2007, the State Board of Education took action on a policy that directly impacts world language (second language) education at the middle school level. This policy states that middle school students may take world language courses that will count towards high school graduation requirements. This means that if a student successfully completes Level I of a world language course in middle school, he/she may register for Level II of that same world language at grade 9.

Middle schools may choose to offer a Level I world language course over a period of two years in order to accommodate middle school schedules and student learning. Therefore, students may combine language studies in 7th grade (Level 1A) and 8th grade (Level 1B) to complete a level I course or take a year-long Level I course in grade 8. While these courses will count towards graduation requirements, they will NOT count in the students' GPA at the high school level.

Please find below the criteria needed to fulfill the requirement for completion of level I of a global language at the middle school:

- ★ Students must earn a minimum passing score of 60% in both the 7th and 8th grade courses, or the year-long 8th grade course.

Students enrolling at Grimsley after completing the Spanish Immersion program through 8th grade should enroll in Honors Spanish for Heritage Speakers II as 9th graders.

World languages offered at Grimsley include: French, Hebrew, Latin, American Sign Language, and Spanish.

Arabic, German, Japanese, Russian, and Mandarin Chinese are offered on NCVPS.

Placement tests at the district level are currently not given to incoming 9th grade students. Families who aren't sure about which Global Language course to enroll in, especially if coming from a private or charter middle school, should contact Mrs. Jennifer Johnston-Kerns, the Grimsley Global Languages department chair at (336) 370-8180. You also can contact Ms. Kimberly Pilling, Global Languages Specialist for Guilford County Schools, at (336) 574-2645 x 5.

While not required for graduation, 2 years of a Global Language are required for admission to a Four-Year College or University.

grimsley high school

Athletics

SPORTS ELIGIBILITY

Students who have passed the eighth grade will be eligible for sports in the ninth grade for the first semester. At the end of the first semester, first-year students must have a 1.5 GPA, pass at least 5 classes, and have 85 % attendance (no more than 13 days of absences) for the first semester to be eligible for spring sports. At the end of the year, it is the second semester grade (not the final grade) and attendance that will determine eligibility for the following fall. All students must pass at least 5 classes for the spring semester, have a GPA of 2.0, and have 85% attendance (no more than 13 absences), to be eligible to play sports the following fall.

It is important to remember that suspensions count in the total number of missed days for athletics and there are no make-up days regarding athletics.

Athletic Eligibility Information and Physical Forms may be picked up in the Main Office at Grimsley or outside the AD (Athletic Department) Office, in the Auxiliary Gym, in the file box located on the door. The forms are also online at our athletic website www.gowhirlies.com. All documents can be picked up at the same places listed above or online. You are encouraged to sign up and be a 'fan' of the website- it is the best way to receive up to date information on schedules, games, information, and weather updates. All Forms must be completed before you begin practice. No exceptions. In addition to the physical, each student must complete, in its entirety, the following documentation before you can participate or practice for any team during any season and this includes 8th graders. GCS participation form, physical exam, medical history, two proofs of residency, Gfeller Concussion forms for parents and students, and any other required documentation, i.e. GCS parental agreement and special assignment (reassignment) letter, if you live out of district and are assigned to GHS.

IF YOU ARE INTERESTED IN PARTICIPATING IN SPORTS AT GRIMSLEY YOU ARE ENCOURAGED TO BECOME A 'FAN' OF THE ATHLETICS WEBSITE, WWW.GOWHIRLIES.ORG. AT THAT POINT, YOU CAN SIGN UP FOR EMAIL/TEXT ALERTS FOR UPDATES/SCHEDULES AND ELIGIBILITY. YOU CAN ALSO FIND A SPECIFIC TEAM AND COACH INFORMATION!

Driver's Education

A student must be 14 ½ years old to sign up for Driver's Education. Registration for this class is online ONLY at www.ncdrivingschool.com. Classes last about 30 hours, and meet 3:55 – 6:45 pm, Monday–Thursday, during the school year. You must bring a copy of your birth certificate on the first day of class. At the end of the class, the instructor will give you a Driver's Training Class Certificate to indicate completing and passing the course.

You must bring your completed Driver's Training Class Certificate to the Attendance Office to get the Eligibility Certificate before going to the DMV. A parent must sign the Eligibility Certificate.

Take the Eligibility Certificate, a CERTIFIED COPY of your birth certificate, the Driver's Training Class Certificate, and your parent to the DMV (Department of Motor Vehicles) for the written and driving tests.

Our Data Manager, Ms. Calhoun, reports grades to the DMV every semester until the age of 18. If students do not pass 5 out of 6 classes per semester, then the DMV will send a letter to the parents of the student to revoke the permit or license.

grimsley high school

Service Learning

WHAT IS SERVICE-LEARNING?

A way of teaching and learning that connects positive and meaningful action in the community with academic learning, personal growth and civic responsibility. Service-Learning helps develop citizenship and good character while providing direct connections to the academic curriculum. It is more than just simple volunteering.

SERVICE-LEARNING DIPLOMA

The Service-Learning Diploma is a locally-developed, official recognition program designed to recognize high school students who are committed to serving their community. Students who complete a minimum of 250 hours of service learning experience over the course of their high school years will receive this certification upon graduation.

- ★ The program is designed to recognize students who dedicate a significant amount of time to service learning in an effort to address challenges and solve problems in the community.
- ★ All students who complete this program will be awarded a GCS Service-Learning Diploma. Additionally, at graduation, these students will be distinguished by wearing a Service-Learning cord.

Graduates are required to complete 250 hours to receive the Service-Learning Diploma.

It is recommended that students distribute these hours over the course of their four years of high school. This pacing will make their service more consequential and manageable with their other academic responsibilities.

Suggested schedule for acquiring 250 hours for the Service-Learning Diploma:

Freshman Year	50 Hours
Sophomore Year	75 Hours
Junior Year	75 Hours
Senior Year	50 Hours
Total	250 Hours

Students entering GCS at any time after their 9th grade year will still be required to complete a minimum of 250 service hours to be eligible for the Service-Learning Diploma. Documented and verifiable Service Learning hours that meet the program criteria completed in school districts outside of Guilford County will count towards the Service-Learning Diploma and Service-Learning Exemplary Award.

SERVICE LEARNING EXEMPLARY AWARD

The Service-Learning Exemplary Award is an honor GCS high school students may receive upon graduation. This award recognizes students who have devoted a minimum of 100 hours of service-learning experience in their community throughout their high school years.

Graduates are required to complete 100 hours of service to receive the Service-Learning Exemplary Award. While there is no set number of hours to be earned in any school year, as a time management tool, we recommend the following schedule as a guide.

Suggested schedule to acquire 100 hours for the Service-Learning Exemplary Award:

Freshman Year	25 Hours
Sophomore Year	25 Hours
Junior Year	25 Hours
Senior Year	25 Hours
Total	100 Hours

For both the Service-Learning Diploma and Service-Learning Exemplary Award: Students may begin documenting hours beginning the first day of school in the 9th grade and may continue their work during the following summers. More information on Service Learning can be found at <https://www.gcsnc.com/Page/6415>
