

July 8, 2020

Dear P.S. 81 Families,

I hope you and your families are having a safe and restful summer. During the next few weeks, we will be putting together a safe and comprehensive plan for the return of our children in September. Throughout the summer, we will send updates regarding this plan. I will also set up a zoom meeting with each grade to address any questions or concerns you may have with respect to the reopening of the school in September. I expect to schedule these zoom meetings during the last week of July and intend to present a preliminary plan prior to these meetings.

In the interim, please feel free to email me directly with any immediate concerns. In determining the appropriate plan for September, of the utmost importance is the safety of our children and our staff. Among other protocols that will be in place, there will be a team of staff members in charge of supervising procedures for safety and cleanliness. We will continue to be diligent and proactive in addressing concerns and issues as they arise.

Thank you for your continued support during these unusual times. Please stay safe. Our P.S. 81 families are in our thoughts and prayers. If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

Anne Kirrane
