

Nicole Krauss Reading October 5, 2017

Dear Students,

Please be here at 8:55 sharp. I will need some volunteers. See me!

Please check with your 2nd and 3rd period teachers about being signed out for tomorrow's reading. We may not need any or all of 3rd period – in which case you are to report to your 3rd period class.

Please bring your books with you (I do not know if there will be time to get them signed, but in any case, you will want them for your questions).

Please come with three **prepared** questions. Make sure they are thoughtful and specific and could lead to discussion (you guys are great at that). They may be about

The History of Love – a big idea question is better than a detail, unless that detail leads to the bigger idea question – in which case, be ready to fully cite and explain the detail.

The writing process – again make it as specific as possible.

If you think of something else that is not related to these – that's fine, just make sure it is thoughtful and specific.

You will turn these questions in and I will give you points for them.

Homework:

Thursday – These questions, and Part 2 of the movie for 20 points EC

Friday – we will go over your first Illuminated Text and watch Illuminated Texts on The History of Love.

Tuesday – poems before Candide.
