Council Role

Charlton is a member of the Council of Originals but currently serves in no specialised role.

Monotheistic Cult

- Charlton's cult is almost non-existent, and exists only in remote regions of the USA. Probably less than a hundred people still worship him, and all of them are extremely dedicated, considering he no longer performs deity duties (answering prayers etc).

Polytheistic Roles

- Appears in polytheistic cults as a god of freedom, independence, diversity, good will, kindness, generosity. Charlton doesn't appear with great frequency in polytheistic cults and always plays only a minor role within them.
