Discussion Items:

Mr. Horrocks reviewed the Acadience reading and math mid-year scores for K-3 at our school and how well CVES is doing. He shared the mid-year data for our school. He also discussed Fridays and the concern with attendance. The discussion of having Fridays off and if and when the time would possibly change. Questions were asked as to why Fridays are done at noon for students. We shared that we may want to share the importance of Fridays with parents and the data on attendance for that day.

A large majority of the meeting was spent on the budget and how the council will spend the trust land money. The discussion of one hundred Chromebooks needing to be purchased to keep with the rotating 5-year plan was brought up and approved. Josh Coffin and Martha Baker approved the motion. The need for take-home books was brought up next, and the idea of having parents donate books that students have read was discussed. Para-professionals in WIN time are important and our

school needs at least one more, which is vital for our students learning.

The amount voted on for the 2025-2026 school year, is roughly \$80,979.30. The 100 Chromebooks needed (\$27,000.00) will be pulled out of this fund and (\$45,000) .5 for a teacher will also be allocated from these funds. Professional development would receive \$5000.00 for subs etc. Josh Coffin brought up the motion to approve this budget and the second was by Hannah Albrecht.

The proposed dress code from the district was discussed. Hats and midriffs were objected to. Tank tops are hard to monitor and it is also subjective as to the type of tank top and coverage.

The next meeting will be on February 20th at 3:45.
