Zoom (COVID)

Discussion:

- Updated the board on recent items purchased as a result of the survey sent out in spring of 2020: purchase of gun belts for students, 3D interactive crime scene (in anticipation of COVID restrictions), and OSHA certification for senior class
- Sgt. Demain spoke of the Thin Blue Line Flag removal by the administration and its impact on the attendance of the program in years to come.
- Jim Gaudet questioned the use of gun belts, especially in light of Thin Blue Line Flag removal from the classroom
- Major focus of this meeting was on work based learning.
- Amy Smith was on hand to discuss our plans of having seniors participate on Fridays in April and May or during the week of 4/19/21
- Seniors are required to participate in a 10 hour WBL experience. Because of COVID, it has been difficult to find suitable and available sites.
- William Clary from Laconia CTE is also running into issues with his program as well, finding suitable sites that allow students during COVID.
- Mike Raymond offered students sitting in on classes as well as Lt. Sonia offering CJ students sitting in on training in subject areas.
- Jim Gaudet offered Associated Grocers as a WBL site. He stated he could utilize students throughout the facility as well as the guard shack.

Next Advisory meeting scheduled for Fall of 2021 TBD
