

Each student receives a beginning “salary” of \$1 per day. Mrs. Brown pays salary at 2:00 each day. To earn:

- *The student must arrive on time.
- *The student must turn in all work with first and last name written on it.
- *The student must try his or her best.
- *The student must ask for help if needed.

The salary may be spent only at the Friday 2:00 Store for fun items. A student may save their salary to earn prizes that have a higher value. There will be surprise “bonuses” for excellent behavior, honest behavior, and more! Students are responsible for keeping their salary in their pencil boxes.

Please send in fun prizes (non-chokable, non-edible) that we can use all year long. As students master harder work, their salaries will increase.
