WELCOME

THA Bridge Corp operates the Youth Boxing & Development Program to support disciplined, confident, and respectful youth through structured boxing, mentorship, healthy habits, teamwork, and personal development. Training activities are conducted at Get Em Boy Boxing, LLC, a separately owned boxing training facility at 746 Orchard Street, New Haven, Connecticut.

This handbook explains the 2026-2027 program schedule, registration requirements, fees, payment policies, participation expectations, competition pathway, and family responsibilities.

1. PROGRAM YEAR & NEW PARTICIPANT TRIAL PERIOD

The 2026-2027 program year runs September 1, 2026 through June 1, 2027. Summer programs begin July 2027.

All new participants begin with a 3-month trial period. During the trial period, the participant pays the applicable monthly program fee only. The \$150 registration fee is not required during the trial period. At the end of the trial period, a participant who meets program expectations may continue as a registered participant, at which time the registration fee becomes due.

2. PROGRAM FEES & PAYMENT

Fee / Payment Option	Amount
Registration Fee	\$150
Monthly Program Fee with AutoPay	\$100 per month
Monthly Program Fee without AutoPay	\$150 per month

All registration and monthly program fees are payable to THA Bridge Corp. Program fees are payments for participation in THA Bridge Corp's Youth Boxing & Development Program and are not represented as charitable contributions.

Monthly program fees are due by the 5th of each month. A 5-day grace period applies through the 10th. Accounts remaining unpaid after the grace period may be assessed a one-time \$10 late fee. Participation may be temporarily suspended until the account is brought current or payment arrangements are approved by THA Bridge Corp.

3. AUTOPAY, DELINQUENT ACCOUNTS & PROGRAM FREEZE

Families selecting AutoPay authorize THA Bridge Corp's approved payment processor to charge the monthly program fee according to the authorization completed at registration. Families should promptly update expired or changed payment methods.

A participant whose account remains delinquent may be temporarily suspended. A previous program spot is not guaranteed if participation is discontinued and the program reaches capacity.

When unforeseen circumstances affect a family's ability to maintain participation, the family should communicate with THA Bridge Corp as early as possible. A temporary program freeze or payment arrangement may be considered. It is not automatic and must be approved.

4. TRAINING SCHEDULE

Age Group	Training Days	Training Time
Ages 7-12	Monday, Wednesday & Friday	4:00 PM-5:15 PM
Ages 13-17	Scheduled Training Days	5:00 PM-8:00 PM

Participants should arrive on time, prepared to train, and remain within their assigned training schedule unless otherwise approved by program/coaching staff.

5. DROP-OFF, PICK-UP & SCHOOL CALENDAR

Children under age 13 must be signed in and out by a parent/guardian. For the 7-12 age group, regular training ends at 5:15 PM and participants must be picked up by 5:45 PM. Late pickup may result in a \$5 fee.

THA Bridge Corp follows the New Haven Public Schools calendar for regular programming. On school half-days or closure days, regular training may not be held. Program schedules may also change because of weather, special events, tournament travel, or other operational circumstances.

6. HEALTH, SAFETY & REQUIRED EQUIPMENT

THA Bridge Corp recommends a complete physical before participation. Athletes participating in competitive boxing must maintain any current medical documentation required for those activities. Families are responsible for providing accurate health information and updating the program about injuries, restrictions, medications, allergies, or medical changes that may affect safe participation.

Required training gear includes boxing gloves, hand wraps, and boxing shoes or appropriate athletic sneakers. As athletes progress, additional equipment may be required for sparring or competition.

7. PARTICIPANT EXPECTATIONS

- Respect coaches, teammates, opponents, officials, families, staff, volunteers, and the facility.
- Follow coaching instructions, program rules, and safety directions.
- Train with appropriate effort, consistency, discipline, and sportsmanship.
- Use equipment properly and return shared equipment after use.
- Help maintain a clean, respectful training environment.
- No food in the gym; water and sports drinks are permitted.
- Do not enter the weight room unless instructed.

Bullying, fighting outside of instructed boxing activity, willful misconduct, repeated disruption, serious disrespect, or unsafe behavior may result in corrective action, temporary suspension, or removal from the program depending on the circumstances.

8. COMPETITION PATHWAY

Participation in the youth program does not automatically mean an athlete is ready to compete. Competition readiness is determined by the coaching staff based on skill development, attendance, conditioning, discipline, maturity, safety, and overall preparedness.

When an athlete is recommended for competition, the family may be asked to complete additional USA Boxing registration, passbook, physical, tournament, travel, or team requirements. Those requirements and any separate competition-related costs will be communicated before participation.

9. ORGANIZATION RELATIONSHIP & BRAND USE

THA Bridge Corp operates the Youth Boxing & Development Program. Get Em Boy Boxing, LLC is a separately owned boxing training facility where program training activities are conducted.

The Get Em Boy Boxing name, logo, images, and GBB branding remain the property of Get Em Boy Boxing, LLC. 10. PHOTO / MEDIA & COMMUNICATION

Families select YES or NO for media authorization on the registration application. If permission is granted, THA Bridge Corp may use photographs, video, and/or audio recorded during program activities for THA Bridge Corp educational, promotional, fundraising, and charitable-program communications without compensation.

Questions regarding program fees, AutoPay, attendance, schedules, program freezes, athlete development, or other concerns should be communicated directly with THA Bridge Corp.

11. ACKNOWLEDGMENT
