Cicadas Side Research

1)	Watch this	old video:	<u>Why</u>	Billions	of Cicadas	Are	About	to	<u>Emerge</u>	<u>After</u>	<u>17</u>
	years (from	n 2021) (5	min)								

2) Compare the map of these cicada events per y	ils per vear.
---	---------------

What do you want to know? Do a little side research and include notes below
How does this relate to THIS section which deals with populations?
