This authorization allows the grantee or his assignee to petition the Board of Control for change of use or change of place of use of the water right attaching to the above-described lands as provided for in Section 41-3-104, W.S. 1977, within five (5) years of the date of the Board of Control accepting this authorization, and petitions that any or all of the water rights not so changed be declared voluntarily abandoned.

Recent historical use, generally the five (5) years previous to the acceptance of the Authorization, and other requirements will be needed to support a petition and map to change the use or place of use. If the water rights are to remain in or are being placed in a subdivision, a Water Distribution Plan will also be required. Until such change or voluntary abandonment is granted by the Board of Control, the water rights involved in this Authorization and Petition remain attached on the lands described thereon but shall be held in abeyance until a change of use or change of place of use has been granted by the Board of Control.
Notice to successor owners of these lands that this water right will be removed or abandoned after five (5) years is the responsibility of the Grantor or Grantor's successors.

The Grantor and Grantee hereby waives any and all notices which may be required by law, including those required in condemnation proceedings provided by Section 41-3-103, W.S. 1977, as amended, and states that neither Grantor nor Grantor's successors or assignees shall, at any time in the future, file any adverse claim or institute any proceedings in law or equity

attacking adversely, or in any manner whatsoever, the equities, right, title or interest of any of the water rights herein referred to and for which it is hereby agreed that the Grantor has received full and adequate compensation.

GRANTOR AND GRANTEE UNDERSTAND AND AGREE THAT IF NO PETITION FOR CHANGE OF USE OR CHANGE OF PLACE OF USE FOR ALL OF THE WATER RIGHTS ATTACHING TO THE ABOVE DESCRIBED LANDS IS RECEIVED WITHIN THE FIVE (5) YEAR PERIOD AND SUCH PETITION SUBSEQUENTLY GRANTED BY THE BOARD OF CONTROL, GRANTOR AND GRANTEE HEREBY REQUEST THAT THE BOARD OF CONTROL ISSUE A PROPER ORDER DECLARING ALL OF THE REMAINING WATER RIGHTS ATTACHED TO THE ABOVE-DESCRIBED LANDS ABANDONED.

An unaltered Authorization and Petition Form shall be completed and submitted for acceptance, along with evidence of land ownership, recording fees, and a map certified by a professional engineer or land surveyor licensed to practice in Wyoming delineating the above lands, to the State Board of Control, Herschler Building, 2nd Floor West, Cheyenne, Wyoming 82002.
