Part 1: Please watch https://youtu.be/M_VmeZoFh5I (5:44 minutes) and use the 'golden line approach to synthesize the video. A "golden line" is the sentence or two that you think best captures the essence of the text, video, podcast OR you find particularly compelling that makes you think OR is something you'd like to know more about. For videos it may be a compelling image/visual rather than a specific text as well, you can indicate when in the video it occurred (describe & record the time stamp).

Step 1. Select your 'golden line' from the video, text, podcast, etc. (see instructions above) and type/describe it below.

Step 2. Why do you think this is the 'golden line'? Please explain!

Step 3. Write-down one or two questions or topics that are based on the 'golden line' that would be interesting to investigate or discuss in-class.
