SkillsUSA: Expectations & Opportunities

Welcome to **SkillsUSA**, a community where leaders are made, careers are built, and friendships last a lifetime! We believe in **commitment, teamwork, and service**—values that help us grow as individuals and as a chapter. Being part of SkillsUSA means unlocking incredible opportunities for personal and professional success while making a real difference in your school and community.

This year will be packed with exciting events, meaningful service, and chances to show off your skills on the biggest stages. Here are the requirements: Attend and participate in meetings every Tuesday, keep your grades up, help fundraise for our events, and help with serving our local community.

Why This Matters

Your involvement in **fundraising and community service** helps us keep our chapter strong and gives you access to amazing leadership experiences like **Fall Leadership Conference (FLC)** and **State Leadership & Skills Conference (SLSC)**—where the best of the best compete! Top competitors even advance to **Nationals in Atlanta, GA!**

Your SkillsUSA Journey Starts Here!

SkillsUSA isn't just an organization—it's a launchpad for your future. The effort you put in now will open doors to leadership conferences, competitions, scholarships, and lifelong skills that employers value. Plus, you'll make friends, serve your community, and be part of something bigger than yourself.

Let's make this an unforgettable year! Are you ready to champion your future???
