

Sponsor the Early Childhood Convenings

Strengthening Early Childhood Across New Hampshire

The Alliance strengthens local coalitions across New Hampshire to ensure every child has a strong start. We provide the resources, leadership, and collaboration to support families and help young children thrive.

Each year, the Alliance hosts two early childhood convenings that bring the field together in one room.

70–80

attendees at each
convening

2

convenings every year

13

Early Childhood Coalitions
represented

\$0

cost to participants

Who Is In The Room

- Public school preschool teachers
- Early childhood behavioral health providers
- Head Start
- Families
- Advocacy organizations
- Representatives from all 13 Early Childhood Coalitions
- Child care providers

What participants have to say from recent convenings:

- *It was great chatting with others & learning what was out there for resources*
- *I loved hearing about the positive work happening.*
- *Great connections with DHHS- thank you!*
- *Increase community collaboration*
- *The info on the EC wraparound services was new and very beneficial.*

Your support keeps the convenings free.

Sponsorship makes attending barrier free for families and early childhood professionals who may not otherwise get the opportunity to participate. It is a great way to show how your organization supports early childhood professionals and families coming together in a welcoming, supportive environment for relationship building and learning.

Sponsorship Levels

Every sponsorship keeps the Early Childhood Convenings free for participants. Amounts shown cover both convenings.
