### **World Languages Late Work Policy**

#### **Late/Missing Work Policy**

- All assignments are expected to be handed in/submitted by the date and time they are due. Missing work will automatically be calculated as a zero on Infinite Campus. It is the student's responsibility to ask the teacher and find out what they missed after returning to class after a legal absence. All work given can be made up with no penalty upon returning to class. The student must arrange to make up any missed assessment within one week.
- If the student has an illegal absence from class, any work missed that day is an automatic zero and will not be made up at all.
- Assignments (not HW) due prior to Progress Reports, may be handed in late up to the posting of Progress Reports with a 5-point penalty for each day late (weekends included).
- **ONLY ONE** assignment can be turned in late each quarter.

- **Infinite Campus** will be updated at a minimum of every two weeks.

- Please check your Google Classroom daily as classwork and updates will be posted there.
- **Bathroom passes** are not given out in the first 10 minutes or last 10 minutes of class.
- No food is permitted in the classroom. Only water. Please follow all regulations to keep yourself safe and others safe.

**As long as you follow the above policies and procedures and do what you are expected to do in class, there should be no reason for any disciplinary action. Remember, by bringing a positive attitude, I will enjoy learning Spanish in this classroom!**
