Subject line: How to 2x how much your clients read AND...

You get to know EXACTLY which clients are most interested in you and your products.

Hello <Name>,

With the Parallel Welcome Sequence, this is now possible!

Stop writing those oldish marketing emails, and do something fresh and fun instead.

Almost nobody uses the Parallel Welcome Sequence. Nobody has any clue. Use it, and YOU will stand out from all of your competition.

Even your clients are gonna be happy about it!

So how does it work, you ask?

Well, instead of me telling you, [sign up and experience it for yourself!](#)
