

WILL

Before watching the segment:

Discuss the following questions with a partner:

- 1) Are you optimistic or pessimistic about the future?
- 2) How different will your city be in the year 2035?
- 3) How would you describe your city in 2035?
- 4) What will be better and what will be worse then?
- 5) Do you think robots will be common in 2035?
- 6) What tasks will robots have?
- 7) Will life be better if humans share their space with robots?
- 8) Would you like to have a personal robot to help/protect you?

Read the sentences below. Check the ones that you think will be true in Chicago, 2035.

(x) All electronic appliances will be modern.

(x) People will live in very comfortable homes.

() Mail will be delivered by robots.

(x) People and robots will share the streets.

x) Robots will walk dogs for their owners.

(x) Litter collecting will be done by robots.

() People will not wear the same kinds of clothes we do today.

(x) Robots will not rob people.

(x) Robots will protect people.

Now watch the movie segments and write the sentences above using will/won't, according to what you see in the segment.

Ex:1 -Not all electronic appliances will be modern.

2 - People won't live in comfortable homes.

3 - Mail will be delivered by robots.

Talk to a partner:

1 - Do you think the film shows a possible reality of the future? Justify it.

2 - Would you like to live in a world like the one in the movie? Why (not)?

3 - What did you like best about the future presented in the segment?

Be Going To

Watch the official trailer and give more information about the movie.

Use BE + GOING TO+ the verbs in parentheses to help you.
