5) Reports

2 minutes per person

College Administration Representative(s) Report(s) David Reed- I am standing in for Dean Hartman. I want to share an update in the Facilities Master Plan process. The process is moving quickly and a big concern is that we have student feedback for the post-pandemic environment. I want to make sure we have a lot of student input, so I will be working with Dean Hartman and the Student Life officer, Michiko, when she returns. They want to go to the Board of Trustees in November and adopt it in Spring. It is a multi-year plan, so we have to make sure we are meeting the needs of all three campuses.

Public Safety Reports Al Elzey-

Student Trustee: Ashley Garcia

Student Life and Leadership Manager: Griselda Paredes Hi everyone! I am the interim Student Life and Leadership officer until next week. I have an update because we are choosing Cañada's new president. If you are interested in being part of the search, please contact me. You get compensated from the Student Representation fund, and this is a big deal because presidents usually serve long terms. We have a date for the retreat which we will vote on later. The Asé Power Consult has a feedback form, which I will put in the chat. I encourage you all to think about how this impacts the whole campus. The vending commission met today, which is the funds collected from vending machines, which are then made part of the commission. They grant programs money to fund projects. We accepted two grants and will be meeting next week to accept more. I was reached out to by Megan from marketing and we are launching a campaign to return to campus and get students vaccinated. You will be hearing more from her later on. I am leaving and I want to leave the most organized google drive, so add all your initiative agendas into the google folder.

Joshua Forman-Ortiz- No real reports on my end. Looking forward to VP Velasquez and Eshton's event on Monday, which hopefully we recognized this Monday.

Inter-Club Council

Vice-President Velasquez/ 2 minutes

No reports. Our next meeting is next week.

Programming Board

(This is a time to hear about the event programming process, and allow the Senate to ask event questions, and make comments if time allows).

VP Velasquez- We were going to do Indigenous People's Day next Monday. We were going to do it this Monday, but we decided to postpone it. We have a few more things to add. It will be from 4:30-5:30 and hopefully everyone can join us.

Senator Gutierrez- Campus MovieFest did not meet yesterday, but have been working on getting swag designed and figuring out our budget.

Commissioner Prakash- Halloween Bash met last week and we were discussing film licensing. I will talk more about the budget in new business. It will be on the 29th of October.

Commissioner Samora-Delgadillo- Dia De Los Muertos met yesterday, and came to the conclusion we want to make mini hand-out kits the day of the event. We already made a zoom link and registration form. It will be November 1st 5-6pm! If you want a mini-kit before the event, fill out the registration form.
