

SURVIVING AN EXTINCTION EVENT

Purpose

Making a prediction based on your prior knowledge will help you make sense of the information you're about to learn.

Process

You're about to learn about mass extinction events, but before you do that, write a two- or three-sentence response that answers this question: How can humans prepare for a possible future extinction event?

A large, empty rectangular box with a thin black border, intended for the student to write their response to the question posed in the 'Process' section.
