

My Superhero, My dad Poem Lyrics

My dad and I have special Powers

I bet you didn't know

And when we are together

Our Super Power grow

I have the gift of flight

To soar and leap and bound

I can hover in the sky

And never touch the ground

I am growing stronger too

With each passing hour

I can even save the day

With my superpower

Dad's arms help me reach

The things I cannot touch

His love and guidance carry me

I look up to him so much

And even when I'm all grown up

I know that I'll be glad

Than I had my own superhero

My best friend, My dad
