Insects In Quran

The Bees

Samy Mahdy

There are ten insects mentioned in Holy Quran:

1- Ants

2 - Bees

3- Locust

4 - Flies

5 -Spider

6 - Mosquitos

7 - Lice

8 - Butterflies

9 - Termit

10 - Bugs

**Bees mentioned
in the Holy Quran
in (3) times:**

**1 - 16 - Al-Nahl
(The Bee)**

**2 - 68. And your Lord revealed to the bee:
“That takes homes from the mountains, and
from the trees, and from what they are
trellising.”⁰¹⁶**

**3 - 69. Then eat from all the fruitage, so go
within your Lord’s accesses, smoothly. It
exits out from their bellies a varying color
syrup, within it a healing for the people.
Surely, within this is a verse for a thinking
kinsfolk.⁰¹⁶**
