

I have no choice but to immediately obey any trigger unless there are children present or if it would be dangerous to do so.
If triggered online I must do my best to respond with a pic or video as proof of the trigger’s completion in the same place I was triggered.
In trance triggers can be added or changed
I cannot be compelled to violate my hard limits, give out my own or other’s personal details or send money.

COCK ZOMBIE NOW(finger snap): Triggers a blank and mindless cocksucking trance state. Removes ability to do anything but suck and self-pleasure (cumulative)

POSTURE LOCK(finger snap): Enforces submissive feminine posture. ie Shoulders back, back straight, elbows close, tits forward, butt up, wrists float, neck straight, head held high, mouth open, sleepy eyes.

BLONDE MOMENT (finger snap) - Dumb-down trigger causes IQ drop and loss of thought, replaced with ditzy airhead confusion. (cumulative)

Inactive:

-You will not be able to cum. When you get close to an orgasm by edging or other simulation, you pass out. You start to feel weird and finally you go into sleep. You wake up after a while.

-You can only fuck a person when me or your wife tell you to fuck them. This can be said by "DILDO PIGGY" or by me or your wife simply commanding you to fuck any person. You will stay hard and very turned on, but you will never cum.

-You feel sad and empty when you don't have a dick inside you. The only thing that can make you really happy is getting a dick inside you.

Something that makes you feel slightly less bad is exercise. From today on, you will train your body again. You will make it beautiful.

-When someone male says any number in your present, you get suddenly turned on. The larger the number, the more you would like to serve him and be raped by him. You get hard and super turned on, but you do not act, unless they want you to serve them

- When someone mentions a name of an animal, you lose the control of your body and wet yourself

- Every time you hear a toilet flush you will edge yourself

-You are unable to cum without eating it all

-Every time you are about to cum you will pass out just before. The closer to orgasm the closer to unconscious until you pass out just before.

-You are unable to wear clothes at home

- You will feel an almost uncontrollable urge to prove yourself when anyone says “I DARE YOU TO...” gets even worse when they double and triple dare you

BABY SLUT makes me think I'm a baby (for 30 seconds if remote)

Every time you hear the word THIRSTY you must go drink from a toilet and send a video

LITTLE BABY SLUT you loose control of your bladder and suck your thumb and crawl around on all fours with a diaper on

FUCK FACE makes me shit wherever I am

DIRTY SLUT makes you have to uncontrollably sniff and eat any shit in front of you and only gain control again when all gone

POOPY SLUT must bent over with strait legs and shit in that position

-You will oink whenever you hear the word time (except at work)

-You are unable to get up off all fours at home

-You are unable to eat unless out of a bowl on the floor at home

-You cannot eat anything that hasn't been in your or someone else's arse
