

SL: I Have an idea, Got a second?

Hi name,

Compliment here,

I'm going to be 100% upfront/honest/clear with you.

I think your brand is cool and I want to provide copywriting/digital marketing services for you.

I have a few ideas for how to increase traffic to your Website by adding a small mechanism to your marketing system,

But keep in mind I am "shooting a gun with blurry vision" since I've only seen your business from the outside in.

If you're interested, I'd like to have a quick zoom call with you to learn more about your brand and brainstorm ways I can help you.

What does your calendar look like this week?

Best Regards,

Ionut Sandu
