San Antonio Math Include

Provide Greater Access to STEM Education to All Students

Grace S.

**Director of Grapevine, Texas Chapter
Tutor
San Antonio Math Include**

Grace is a rising sophomore in the Class of 2025 at iUniversity Prep. She is particularly interested in computer science and mathematics. She is currently in the USACO silver division and has participated in math competitions since elementary school. Grace enjoys working with and helping others and has years of experience as a student leader in clubs such as NJHS and Student Council. In her free time, she enjoys running, writing, and listening to music. Through being a tutor at SaMi, she hopes to help students cultivate their interests in STEM.
