How does subscription align with ESUCC Goals and ESUCC/NDE priority areas?

The Marshall Memo helps to bridge gaps by providing school leaders with quick access to the best current education ideas and practices. Through a weekly email newsletter the author summarizes articles on current research and best practices in the field with e-links to full articles when available and highlights a few notable quotes. The Marshall Memo empowers education leaders with information that can improve student learning.

The subscription provides continued communication of best practices in education that increase knowledge of ESU and district members to enhance the implementation of the Statewide Data System, Teacher/Principal Evaluation, BlendEd, and other NDE initiatives that may arise.
