

Parkview Elementary School

Monthly Report

Laurie Ocampo, Principal
Sam Morerod, Assistant Principal
Socorro Consolidated School District

Date	November 10, 2021
Current Enrollment	<ul style="list-style-type: none">• Pre-K- 34• Kindergarten- 57• First- 57• Second- 41• Third- 59• Fourth- 48• Fifth-63 Total Students: 368
Current Attendance Rate	September 1-30, 2021 <ul style="list-style-type: none">• Pre-K 91.08%• K 83.20%• 1 89.06%• 2 89.63%• 3 85.26%• 4 89.41%• 5 84.22%

Curriculum & Instruction Update	<ul style="list-style-type: none"> • New Parkview teachers attended PAX training on Oct. 11, 2021. • Our K-2 teachers are in the midst of LETRS training. LETRS training is structuring literacy training that will help them with their English language arts instruction. They will continue engaging in over the course of the school year. • MC squared (math) training is continuing throughout the school year, both on Teacher Training days and through MC squared trainer, Megan Kidwell, who comes to our school to coach teachers on math instruction and meet with them during their PLCs. On November 12th, on our Teacher Training Day, our teachers will engage in intense MC squared training, as well. We are excited about this training as it incorporates hands-on learning to help students understand math on a deeper level. With our early testing results we are seeing a tremendous need for math interventions, so we know that this will help a great deal. • Our teachers are using the eSpark program, an online intervention program, which is very useful in determining their students' knowledge and providing activities that will help them gain mastery in their academic standards in both ELA and Math. • Our K-2nd grade classes continue testing in I-Station on a monthly basis. This testing helps our teachers determine individual students' "standards of concern" so that the teacher can best plan interventions to bring them up to (and work to exceed) grade level standards. • Grades 3-5 have tested in the (Interim Measure of Student Success and Achievement), a new assessment required by the NMPED three times per year- The beginning, middle and end of the school year. Unfortunately, we have found that the reports provided after this test do not indicate specific areas of concern, so we are planning to have our grade 3-5 teacher give their students the I-Station test, as well. We are doing this so that we can determine the students' "standards of concern" and target them in instruction.
Upcoming Events	<ul style="list-style-type: none"> • On Wednesday, November 3rd, we will be having our November All-Staff Meeting from 3:15-4pm and we will be having our November Leadership Meeting on Nov. 10, 2021, from 3:15-4pm. • We look forward to having our fourth PAC (Parent Advisory Committee) meeting on Nov. 10, 2021, from 5:15-6:15 pm. • On Thursday, October 14th, (from 5-6:30 pm) we will be having a Family Math Game Night at Parkview! Parents are invited to

come to the school and take part in math games with their children.

- **Fall Picture retakes through MJ Thomas** will take place from 8am-12pm on Monday, October 25th.
- **Red Ribbon Week** will be from October 25-28. Our themes each day will be: "Drug-Free Looks Like Me!" "PV Spirit Day! "Little Warriors make healthy choices!" "Being HEALTHY will brighten your day!" Mystery staff members will be randomly giving prizes for students who are proudly wearing their red ribbons and who are demonstrating PAX Leadership all week. Camelia Herrera, our school counselor is spearheading this project at Parkview!
- On November 10th, **progress reports will be issued.**
- On November 11th, we will be having a **Veterans Day Celebration** where we invite our local Veterans to our campus. It begins at 9 am with an assembly. Our Assistant Principal and his father and son will be performing "The Armed Forces Medley" recognizing each branch of the military service. Our Pre-K-2nd grade will be performing "You're a Grand Old Flag," and our 3rd-5th graders will be performing "America the Beautiful." Our students will both sing and sign these patriotic songs. Each grade level will share a "Thank You Note" with our veterans and then we will invite our veterans to a Veterans Day Breakfast in our building. Each grade level and the Parent Advisory Committee will take responsibility for the set-up, food and decor at the breakfast. Prior to Veterans Day, our students will be learning about veterans and our teachers will be decorating their hallway bulletin boards to honor our veterans.
- On November 11, in the evening, our **Pre-K** plans to have their **"Stone Soup Night"** at Parkview.
- On November 12, 2021, on our Teacher Training Day, our teachers will engage in MC squared training.

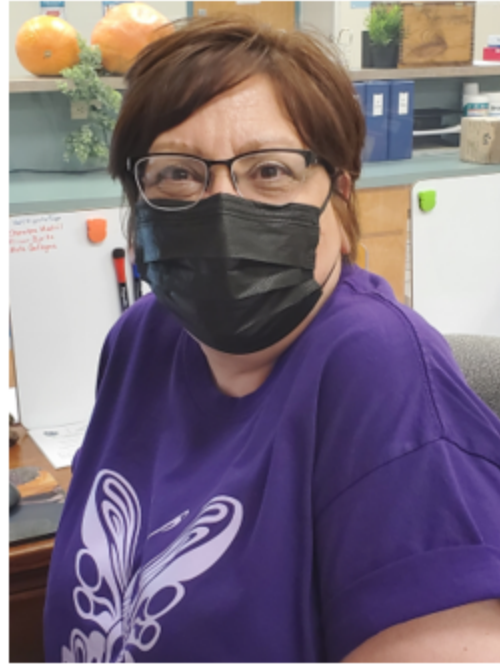

Parent / Community Involvement	<ul style="list-style-type: none"> • Parkview will be attending the NM TECH Performing Arts Series ---National Dance Institute/NDI on November 18, 2021. Our 4th graders will be performing! • We had our third, virtual Parent Advisory Council (PAC) meeting on Wednesday, October 13, 2021. Several parents, Mr. Morerod and Mrs. Ocampo attended and discussed opportunities for PAC to be involved in the school. They had the T-shirt Design Contest and one of our 5th graders, Mateayeau Alonzo won. Diana Hearney, a PAC member is going to be having some sample T-shirts made and they will be advertising to sell them at the Parent/Teacher Conferences on Oct. 22nd. The PAC will also be helping out with our Veteran's Day Celebration by decorating the room for the Veterans Day Breakfast. • Our November Veterans Day Celebration on Nov. 11th will involve the veterans in our community. We have contacted Stephanie McFadden with the <i>El Defensor Chieftain</i>, about placing information for the community about this upcoming event in our local paper. We had our last Veterans Day Celebration in 2019 (pre-COVID), and we are excited to offer it again in 2021. • We had a member of the Socorro Lyons Club come to our school in October to help out with vision screenings. • SEMA (Socorro Educational Mentoring Alliance) started in the second week of October. Mentors from NMTECH provided after-school homework help as well as mentorship, to students in grade 3 (and possibly grade 4), for four days per week. • Parkview Elementary takes part in the Foster Grandparents Program through the County of Socorro. One of our grandparents, Grandma Rosemary, crocheted warm hats for all of the students in the third grade classroom where she works. She helps support our students in their learning. (See picture below.)
Celebrations	<ul style="list-style-type: none"> • Gary Apodaca was chosen by his peers as Teacher of the Month for September of 2021 and Paula DeWeese was chosen by her peers as the Staff Member of the Month for 2021. The focus for the September Staff Member and Teacher of the Month was <i>"Who best 'Fosters a Positive Mindset?'—Faculty and staff voted for those they felt were optimistic, approached every task with positive words and actions. Those voted for focus on solving problems rather than placing blame. They have positive intentions and assume that others do too. See pictures below.</i> • Our After school program runs from 3-6pm on school days and we are having anywhere from 15-30 students attending on any given day.

	<ul style="list-style-type: none"> • Our Friday program that runs from 8am-3:00pm, has anywhere from 30 to 35 students attend each Friday and those numbers are increasing. • On Friday, October 1, Parkview participated in the Homecoming Parade with a float supporting the Socorro High School football team. Several parents, staff members and students helped out and fun was had by all. Pictures are below. • During Homecoming Week, our school had a different “Spirit Theme” for each day. One day we had Crazy Hat Day and there are some pictures of students in their crazy hats below. • Our Parkview Post went out on September 30th for the month of October. We had 59 students who had perfect attendance in August! Their names are listed in the newsletter along with the upcoming events and other important information. See pictures below. • The Performing Art Series from NMTECH had the Creede Repertory Theatre come to our school on Oct. 4, 2021, to put on a performance of <i>The Guava Tree</i>. Pictures are below. • Teachers and students are working hard every day to target their “standards of concern” and to master the standards at their grade levels. We are proud of their hard work and we are excited to see the gains they will make this year! See the pictures below.
# of New Students, Drop-Out Students (and why), & Withdrawals	AS OF September 1, 2021-September 30, 2021... <ul style="list-style-type: none"> • New registrations: 8 (5 new to district, 2 from Homeschool, 1 from out of state) • Withdrawn students: 17 (2 transferred to Reserve, 1 transfer to CVCS, 2 moved out of state, 5 transfer to Homeschool, 5 10 day drop, 2 transferred to Alamo)
# of Bullying Incidents	0
# of Fights, Discipline Referrals, and Police Action	0
