

Queer Rounds: Rainbow Capitalism **Two-Part Discussion Series engaging LGBTQIA+ Company Leaders**

Mission: Here at the Queer Umbrella, our mission is to make community accessible – we cultivate physical and digital spaces for queer connection and empowerment.

In our Queer Rounds series, we lead the conversation, you bring your passion and curiosity, and together among other leaders we'll brainstorm actionable solutions to build a more inclusive future.

What we're up to:

The Queer Umbrella is partnering with LGBTQIA+ leaders to engage in collaborative conversations of innovation and vision for a bolder, more inclusive future. Our pre-pride, 2-part discussion series is an opportunity for engaged constituents to uplift and empower the voices of your company's LGBTQIA+ members. Our goal is to help you emphasize a culture of continual growth and education for all of your employees, while coming together as a force for social innovation within the LGBTQIA+ community.

Should your company join our conversation?

As I'm sure you know, the actions (and inactions) of your company can work to support a future of inclusion or perpetuate forms of marginalization. The practices of your company can impact not only your employees, but the broader community interacting with your brand. Why not use your influence and join the conversation with other impactful queer leaders to co-create the future we all want to be a part of?

Be a part of our conversation and...

- Strengthen the networks and connections among LGBTQIA+ leaders across all sectors.
- Share inclusive business practices amongst each other and identify action items for support and innovation for your programs.
- Create a coalition across all industries for queer advocacy and acceptance, and build a network of collaboration for queers.
- Be inspired by your peers!
- Build trust with other queer community members (and customers) through demonstrating transparent, accountable business practices.

The two discussions: Live-stream discussions will last 1 hour, with an additional 15 minutes of Q&A. *Participants are welcome to participate in one or both of these discussions. See more information on the discussions and a direct way to sign up on [our website](#).*
