

## ELPAC SUMMATIVE: Existing English Learner Program Placement

### Recommended ELD Program Placement Based on ELPAC Summative Results

The following table shows a recommended ELD program placement for English learners for the 2018-2019 school year. Program placement is always made using multiple measures. This recommendation may change based on feedback from sites as the school year progresses and additional information is received about ELPAC Summative scores.

<b>Overall Scale Score - ELPAC Summative</b>	<b><u>Overall Performance Level Descriptor - ELPAC Summative</u></b>	<b>Recommended RUSD ELD Program Placement</b>	<b>Alignment to ELD Standards</b>
<a href="#">Grade span cut scores</a>	Level 1 - Beginning	ELD 1	Emerging
<a href="#">Grade span cut scores</a>	Level 2 - Somewhat Developed	ELD 2	Expanding
<a href="#">Grade span cut scores</a>	Level 3 - Moderately Developed	ELD 3*	Expanding/Bridging*
<a href="#">Grade span cut scores</a>	Level 4 - Well Developed	ELD 4	Bridging

*\*In some cases, the enrollment size of students performing at ELPAC Summative Level 3 at one site/grade level may be large enough to group into two sub-levels for instruction. The following cutscores are guidelines for this grouping:*

K: 1414-1428 1: 1437-1452 2: 1447-1467 3-5: 1490-1514 6-8: 1511-1532 9-10: 1531-1555 11-12: 1530-1558	Level 3 - Moderately Developed	ELD 3	Expanding
K: 1429-1443 1: 1453-1466 2: 1468-1488 3-5: 1515-1538 6-8: 1533-1553 9-10: 1556-1580 11-12: 1559-1587	Level 3 - Moderately Developed	ELD 3	Bridging

These recommendations are based on the following alignment (the ELPAC Initial is represented on the bottom row in black and white):

# ELD Proficiency Levels, ELPAC Summative and Initial General Performance Levels

<b>Proficiency Levels (ELD)</b>	<b>EMERGING</b>	<b>EXPANDING</b>		<b>BRIDGING</b>
<b>Performance Level Descriptors (SA) Student Score Report</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Level 4</b>
	<b>Beginning</b>	<b>Somewhat Developed</b>	<b>Moderately Developed</b>	<b>Well Developed</b>
<b>Performance Level Descriptors (IA)</b>	<b>Novice</b>	<b>Intermediate</b>		<b>I-FEP</b>
