Protocol on cooperation and partnership intentions

The Parties wish to cooperate in order to provide sinless (products) goods and services and to apply the potential of the University of Ottawa (Province of Ontario, Canada) and companies through grants.

In order to achieve a common goal, the Parties signed this Protocol of Intentions for Cooperation and Partnership and agreed on the following tasks:

1. rational and targeted use of grant funds
2. not to violate the commandments of the prophets of temples, lavras, mosques, yoga and Buddhism centers
3. to involve students, laboratories, and professors of the University of Ottawa
4. the parties recognize and confirm that, within the professional scope of their authority, they will take care of ensuring the fulfillment of the tasks of this Protocol and will make joint efforts to implement it.
