

What to pack...Senior Trip 2025

On the Bus: Dress comfortably. It is a long drive. You can bring a pillow and/or a small blanket if you would like. You might want them on the overnight trip home.

At the Hotel: You will want to bring comfortable clothes for the hotel...*we do not spend a lot of time at the hotel* but you might want to change into something more comfortable once we get there.

4 days in DC: When choosing what to wear for this trip there are a few things to keep in mind: You want to be comfortable, warm AND LOOK NICE. You also want to wear shoes that don't hurt your feet because we will be doing A LOT of walking. You should look well put together every day. You are respectable young men and women, simply dress accordingly. TAG DAY RULES APPLY.

Outerwear: The weather in DC is as unpredictable as Kentucky so be prepared for anything: cold, wind, rain...***BRING A WARM JACKET.*** You might also want to bring gloves, scarf, a rain jacket, rain boots, umbrella...a variety of items to be prepared for the unpredictable weather. Use common sense and be prepared.

Please follow these guidelines when picking out your clothes:

1. TAG DAY RULES APPLY.
2. Ladies - I should not see the 3 B's. If you need an explanation on this one ASK.
3. Gentlemen - I should not see your drawers. If your pants are droopy, you will change.
4. **Sunday we attend Mass. No sweatpants on this day. DRESS NICE!**
5. I WILL MAKE YOU CHANGE IF YOU DO NOT FOLLOW TAG DAY RULES.

****The goal is to look clean & well put together while still maintaining comfort & practicality due to weather changes.****

So...don't overthink this. Look nice and appropriate!
