The Seneca Lake Wine Trail has partnered with Sip Back & Relax Tours to put together a variety of day trips for you to choose from so all you need to do is enjoy a relaxing day of wine tasting!

Package prices include 5-6 hours of transportation, driver gratuity, tasting fees, charcuterie/chocolates/other food costs where applicable, as well as taxes and fees. Pricing shown is for groups of 2-6 people. Lunch is not included in these excursions. Additional wine and food purchases or tasting upgrades may be available at your expense. Any fees for overtime, damage, etc. are not included and will be your responsibility.

Transportation can be your choice of a **vehicle and driver (sedan or SUV)**, or a **professional driver to take you around in your personal vehicle** (need room for your party and the driver); additional fees will apply if using a rental car so please let us know if you are using one.

We recommend bringing a small cooler with a picnic lunch or snacks (depending on the excursion you choose and your tastes) and water to supplement your day. While we aim to keep the stops as planned, they are based upon availability and sometimes, subject to change. A final itinerary is emailed about 7 days before the excursion date, listing the details and wineries you will visit.
