4. Business Arising:
 - A. School Clothing Fall Order - went out last week and closed off yesterday. We will do it again in the spring.
 - B. School Fees - so far collected almost \$3000, Grade 3s were able to have Marty Byrne come in to do pottery, Grade ones were able to get buses to go to Tanya.
Fees can be paid at any time during the year.
5. New Business
 - A. Communication Board - We've been trying to get a large version for our green space for the last three years or so. It looks like we may be able to move forward with it this year. Ms. Crowley has been working on obtaining grants along with Michelle Ralph, our school liaison with health.
 - B. School Development - one of our goals for this year is to help students have school pride and to help families feel more connected with our school. Ms. Kennedy does extra-curricular at lunch time - Glee Club. Inviting people in to do activities, grade 3s are working on an art Show (Evelyn said there are dividers at the arena that we can borrow until we can get some), Carnival du Quebec. Looking for suggestions of things for parents to be involved in - parents would love to come in to see anything their children are doing. There were Mystery readers last year that went over well. Science evening last year was great.

- C. New speaker purchase - chatting with Jenny Sullivan - BOSE speaker, looking at getting one - portable, easy to use, easy to carry, connects to bluetooth
 - D. Events in review - Costume Parade, Remembrance Day- went off really well, students were really well behaved, Cap and Gown/Retakes - this week, Marty Byrne - pottery with all grade 3 classes, K addictions awareness presentation
