- ★  Headlining Ali Louis Bourzgui
- ★  Featuring Savy Jackson as opening act, and Resident Lightweight's first public performance
- ★  Notes: Audio is raw from my phone, so most of it is pretty clear, though sometimes the speakers did get a little weird, and I noticed one little part it glitched during speaker talking. Movement from being on the grass.
 - 41 MB

But as these lessons progress, Celine discovers a sinister presence has possessed her daughter. Against Women & Music! has been developed at Turkey Land Cove Foundation, Rhinebeck Writers Retreat and The Civilians R&D Group with additional support from Theater Latté Da.

 **Notes:** Great capture of this fantastic revival! Shot in a great mix of wides, mediums, and close-ups, with an emphasis on wides due to the nature of the staging. Some wandering, shaking, and re-adjusting throughout. Some obstruction on the bottom and right hand corner of the stage, it blocks a bit of action but is worked around well. Audio is patched in from an external source; some scraping and rustling might be heard during readjustment periods. Overall a great capture of this cult classic musical!

 **Notes:** Great HD capture of the Broadway transfer. There are a few short scenes/moments far stage right blocked by a head, but nothing major. Beautiful production, performances and cast to match! A-

An Enemy of the People | Duke of York's Theatre West End

March 2024 | [Jagweed's Master](#)

 **Cast:** Matt Smith (Dr. Thomas Stockmann), Paul Hilton (Peter Stockmann), Priyanga Burford (Aslaksen), Zachary Hart (Billing), Nigel Lindsay (Morten

Kiil), Shubham Saraf (Hovstad), Jessica Brown Findlay (Katharina Stockmann)

Notes: A near perfect capture. A head is visible in the left hand corner throughout. I ensure this doesn't block the actor's performances. The entire town hall scene is filmed. Overall a solid capture. Recording includes the curtain call and marquee.

Appropriate | Broadway

Cast: Sarah Paulson (Toni), Corey Stoll (Bo), Michael Esper (Franz), Natalie Gold (Rachael), Elle Fanning (River), Graham Campbell (Rhys), Alyssa Emily Marvin (Cassidy), Everett Sobers (Ainsley)

Kelley (Ensemble), Mimi Boss (Ensemble), Erik James Morton (Nicky & Trekkie's Right Arm)

Notes: Good capture of this production's final performance. Moderate head obstruction and adjusting, but otherwise a complete capture.

Back to the Future: the Musical | Broadway | 4K | **Email Trade Only**

July 1st, 2023 | **BikiniBottomDay's Master**

Cast: Casey Likes (Marty McFly), Roger Bart (Doc Brown), Hugh Coles (George McFly), Nathaniel Hackmann (Biff Tannen), Mikaela Secada (Jennifer Parker), Jelani Remy (Goldie Wilson/Marvin Berry), Amber Ardolino (Linda McFly), Liana Hunt (Lorraine Baines), Merritt David Janes (Strickland/Lou), Daryl Tofa (Dave McFly/Slick)

Notes: Excellent 4K capture of this show's third preview! Heads are visible along the bottom, but only the left side has some obstruction. A little action is blocked off, mostly when characters are sitting or laying down on the floor. Some wandering / readjustment and unfocusing throughout, and the beginning of act two is especially messy. Some washout on wider shots. Some overloaded audio from cheering.

Ballad Lines | Off West End (Southwark Playhouse)

February 2026 | **MTTZ's Master**

Cast: Frances McNamee (Sarah), Rebecca Trehearn (Betty), Sydney Sainté (Alix), Kirsty Findlay (Cait), Ally Kennard (Jamie/Thomas/Ronan), Yna Tresvalles (Jean), Gracie Lai (Morna), Siân Louise Dowdalls (Shona)

Notes: Solid capture of this new folk musical! Shot in a great mix of wides, mediums, and close-ups. Some increased wandering, shaking, and re-adjusting throughout. Shot over a bar that obstructs the lower part of the stage and is often visible; I do my best to work around it but it does block some action. Audio is patched in from an external source; some scraping and rustling might be heard during readjustment periods. Overall a solid capture in a nightmare of a venue.

 **Notes:** Excellent 4K capture of this much-anticipated production. Some action on the balconies or in the audience couldn't be captured, and because a lot of the staging uses the entire theatre, there are frequent wideshots. Some very minor obstruction in the top right that blocks off a tiny bit of action. Some moments of wandering and unfocusing. Includes curtain call, audio is fed from external source.

Ghost Quartet | Crow's Theatre, Toronto, ON

 October 2020 | Pro-Shot

 **Cast:** Hailey Gillis (Rose Red), Kira Guloien (Pearl White), Andrew Penner (The Astronomer), Beau Dixon (The Bear)

 **Notes:** A haunted song cycle about love, death, and whisky, the smash-hit GHOST QUARTET returns for a special digital Halloween engagement, featuring the original cast of Beau Dixon, Hailey Gillis, Kira Guloien, and Andrew Penner. Four friends drink, tell stories, and span seven centuries in this surreal, chamber musical of murder ballads, doo-wop, jazz noise, and a purgatorial intermezzo. Includes custom cast recording created from video! Circulating in various file sizes; the 1.94 GB mp4 is better quality than the 2.67 GB mp4.

 **Notes:** Decent wide-shot phone boot of this powerful & emotional show. A bit of darkness in some of the scenes, brightened up as much as possible in editing. Sometimes a few lines are missed when the actor is on the far left or right of the stage. The tracked audio is based on the songs I could find names for. Includes video and audio (tracked and untracked)

 **Notes:** Almeida Theatre's 2017 acclaimed production of William Shakespeare's great play, recorded as-live in its West End transfer on the stage of London's Harold Pinter Theatre. Robert Icke's innovative modern-dress production has been widely acclaimed as a dazzlingly intelligent, forcefully contemporary staging. Notes: Okay 4K capture of this part of a show. Due to the unconventional staging in this theatre, it is more or less impossible to not be at least a little obstructed no matter the view. Some of the action at the very front is cut off, and when needed, the screens are occasionally filmed instead of the stage. Increased wandering and unfocusing throughout. Blackouts or complete obstruction during the audience dance sequences (not that anything happens), and the first one runs a little longer into the song. Includes curtain call and encore sequence, audio is fed from external source.

 Aug 28, 2024 | Medium Observation 's Master

 **Cast:** Spencer Davis Milford (Frodo), Michael Kurowski (Sam), Lauren Zakrin (Galadriel), Ben Mathew (Pippin), Will James Jr. (Aragorn/Strider), Tom Amandes (Gandalf), Tony Bozzuto (Gollum), Alina Taber (Arwen), Eileen Doan (Merry), Matthew C.  **Notes:** Fantastic capture of this incredibly immersive and beautiful production. There is a bar in the bottom right corner of the screen that doesn't take away except for one moment where Gandalf and Frodo are talking on the stairs in act one, but overall I worked around it and you can always see Frodo and sometimes Gandalf. At points people are in the audience and I wasn't able to capture them but you can always hear them and I do my best to always try to make sure to capture anything in the audience that I could. Some washout and shakiness throughout.

Some minor obstruction on the far left side that never blocks any action. Overall an excellent capture of this truly wonderful show.

Eloise Kropp (Ensemble), Daniel May (Ensemble), Shina Ann Morris (Ensemble), Kristin Piro (Ensemble)

 **Notes:** Nice video of this hilarious show. Filmed from the orchestra. Lots of wide shots, which can lead to some washout at times. Beautiful zooms however on the cast (Alex Brightman fancam at times but it never takes away from the video!). Overall a great video of this hilarious and perfect production.

 **Notes:** This performance lives rent free in my head and now it can in yours too. Aaron Tveit's surprise one-night return as emergency cover for Christian, called with roughly 2 hours' notice after Derek Klena was out. It was his first time performing with JoJo, and his first time back at the show since leaving in May 2022. First of four StarCuffedJeans July 2023 captures. This recording is listed as July 2023 but it is known that Aaron's emergency cover performance was on July 1 specifically.

 **Notes:** A great capture of this show. No obstructions. Mainly filmed in wides and mediums to ensure everything is filmed. This recording showcases the artistry of the puppets used in this production. Audio is a little on the quiet side. Infrequent focus issues and a little shakiness as my hands were becoming rather numb. Recording includes the curtain call and a shot of the outside of the theatre.

Cast: Emily Barber (Ewen Montagu & Others), Seán Carey (Charles Cholmondeley & Others), Chloë Hart (Johnny Bevan & Others), Christian Andrews (Hester Leggatt & Others), Claire-Marie Hall (Jean Leslie & Others)

Notes: Solid capture of one of my favorite shows currently running in the world. Shot in a fantastic mix of wides, mediums, and close-ups. Some increased wandering, shaking, and re-adjusting throughout. Act 1 is impeccable, some of my best work, with only a bar in the way at the bottom that doesn't block anything. Act 2 is more mixed, especially in the first 20-ish minutes, but still captures a lot of action with only a few dropouts throughout and some obstruction and wandering/shaking that goes away afterwards. Some rustling can be heard throughout. Overall a very good capture.

Notes: Excellent 4K capture of this show! Very minor head obstruction on the far left, blocks a tiny bit of action. Some moments of wandering and unfocusing, especially during the first song. Includes curtain call, audio fed from external source.

Paddington The Musical | Savoy Theatre, West End

 February, 2026 | MTTZ's Master

 **Cast:** Arti Shah (Paddington On-Stage Performer), James Hameed (Paddington Off-Stage Performer and Remote Puppeteer), Aimée Fisher (u/s Mrs. Brown), Adrian Der Gregorian (Mr. Brown), Joseph Bramley (Jonathan Brown), Delilah Bennett-Cardy (Judy Brown), Victoria Hamilton-Barritt (Millicent Clyde), Ben Redfern (u/s Mr. Curry), Bonnie Langford (Mrs. Bird), Tarinn Callender (Grant), Teddy Kempner (Mr. Gruber), Amy Booth-Steel (Lady Sloane/Train Announcer/Mrs. Hachoo), Brenda Edwards (Tanya/Voice of Aunt Lucy/Ensemble), Timi Akinyosade (Tony), David Birch (s/w Hank the Pigeon/s/w Ensemble), Tiago Dhondt Bamberger (Ensemble), Jacqueline Hughes (Ensemble), Kellianna Jay (Ensemble), Natasha Leaver (Ensemble), Sunny Lee (Ensemble), Jáiden Lodge (Ensemble), Vicki Lee Taylor (Ensemble), Simon Shorten (Ensemble)

 **Notes:** Excellent capture of this immensely hyped musical! Shot in a great mix of wides, mediums, and close-ups. Some increased wandering, shaking, and re-adjusting throughout. Shot over heads that never block significant action. Audio is patched in from an external source; some scraping and rustling might be heard during readjustment periods. Overall an excellent capture of THE BEAR!

Paranormal Activity | First US National Tour - Chicago Shakespeare Theater

 October 2025 (Evening) | **soysaucepierre's Master**

 **Cast:** Cher Álvarez (Lou), Patrick Heusinger (James), Shannon Cochran (Carolanne), Kate Fry (Etheline Cotgrave), Sophie Kaegi (Ensemble)

 **Notes:** Decent 4K capture of this stunning play in its North American premiere! The stage effects and plot twists were so cool guys. Due to how dark this play was, a fair amount of the video is blindshot with moments of wandering, readjustment, mild tilt, and shakiness throughout. There is a head obstruction for the lower right side of stage but doesn't often block action, and gets worked around better in Act 2. Very short blackout (less than 30 seconds) about 30 minutes in due to a camera issue. The entirety of Act 2 has an issue where a black box persists in the bottom left corner of screen. Shot mostly in mediums and wides with a few closeups mixed in. Audio fed from external source. TLDR: Guys, I think this activity is somewhere between moderately to severely paranormal...

Paranormal Activity | First US National Tour - Chicago Shakespeare Theater

 October 31, 2025 (Evening) | **soysaucepierre's Master**

 **Cast:** Cher Álvarez (Lou), Patrick Heusinger (James), Shannon Cochran (Carolanne), Kate Fry (Etheline Cotgrave), Sophie Kaegi (Ensemble)

 **Notes:** Solid 4K capture of this stellar play on Halloween! The show is very dark so a fair amount is blindshot / wideshot. The first minute-ish of Act 2 is audio only. Act 1 has a fair amount of tilt due to accidentally turning my level off, this is fixed in Act 2. There are a couple head obstructions at the bottom of screen that are worked around well but block a bit of action in Act 2 when one gets particularly restless. Readjustment, tilt, and wandering with occasional focus issues throughout. Shot in mostly wides and mediums with some closeups mixed in. Audio fed from external source. TLDR: TIME TO GET SPOOKY!!

(Ensemble), Amy Jo Jackson (Ensemble), Ariella Klashny (Ensemble), Marissa Rosen (Ensemble), Kyla Stone (Ensemble)

Notes: Excellent capture of this amazing and hilarious world premiere musical! Shot in a great mix of wides, mediums, and close-ups. Shot over a bar that is sometimes visible but never obstructs any significant action. Some wandering, shaking, and re-adjusting throughout. A few brief dropouts. Audio is patched in from an external source courtesy of Steponmeshoeman. Overall an excellent capture of the absolutely stacked cast of this incredible new show.

Notes: A clear, unobstructed video. Carefully selected my seat so that Bailey's and the other actor's performances amongst the audience are filmed. Recording includes the curtain call and a shot of the outside of the theatre. PLEASE DO NOT RESELL/GIFT/OR POST MY RECORDINGS (INCL. CLIPS) ONLINE ANYWHERE.

The Rocky Horror Picture Show | Second Broadway Revival | MP4 (**4K**)

June, 2026 | MTTZ's Master | **NFT Until December 5, 2026**

 **Notes:** Great capture of this much-hyped revival! Shot in a great mix of wides, mediums, and close-ups. Increased wandering, shaking, and re-adjusting throughout. Audio is patched in from an external source; some scraping and rustling might be heard during adjustment periods. Obstruction on the bottom and far left that blocks a few lines/bits of action, but is worked around well.

Romeo and Juliet | West End

 July 2024 | Jagweed's Master

 **Cast:** Tom Holland (Romeo), Francesca Amewudah-Rivers (Juliet), Nathaniel Christian (u/s Benvolio), Joshua-Alexander Williams (Mercutio), Mia Jerome (Montague), Adetomiwa Edun (Lord Capulet), Ray Sesay (Tybalt), Freema Agyeman (The Nurse), Daniel Quinn-Toye (Paris), Phillip Olagoke (Friar Laurence), Harriet Bunton (s/w Camera Operator), Kody Mortimer (Camera Operator)

 **Notes:** A very good capture of Tom Holland's hotly anticipated return to theatre. This is an extremely dimly lit show with continuous haze which results in focus issues throughout - this isn't frequent though and tends to last seconds. Sometimes the actor's faces are blocked by lights when the screen is raised. However, the camera is constantly moving so it's not for long. The screen also lowers where the image is then unobscured. Recording includes the curtain call and marquee

Romeo + Juliet | Broadway Revival | Circle in the square theater |

 October, 2024 | The Riddle's Master | MP4 mega, 10.62 GB

 **Cast:** Kit Connor (Romeo), Rachel Zegler (Juliet), Taheen Modak (Benvolio), Gabby Beans (Mercutio/Friar Laurence), Solá Fádíran (Lord Capulet/Lady Capulet), Tommy Dorfman (Tybalt/The Nurse), Gíán Pérez (Paris/Sampson/Peter), Nihar Duvvuri (Balthasar), Jasai Chase-Owens (Gregory), Daniel Bravo Hernández (Abraham)

 **Notes:** Okay 4K capture of this glitzy, modernized interpretation of Romeo and Juliet. Shot over and around one very annoying head, which obstructs the action quite often, and there are moments of blind shooting where the camera focuses on the wrong thing. But when I managed to get closeups, they can be quite nice. Moderate washout in wideshots. Due to the nature of the production taking place in the round, some moments are

not captured from the clearest angle. Audio of the intermission music performed by the cast is captured, though video is not. As a general warning, the video contains moments of intense strobing lights: rough timestamps (07:15-09:00), (46:45-47:45), (1:04:45-1:05:30).

The Roommate | Booth Theatre | **Email Trade Only**

 December 15, 2024 | **BikiniBottomDay's Master** | **MP4 7.32 GB**

School of Rock | Broadway

 December 30 2015 | **SJ Bernly's Master** | **VOB + Smalls**

 **Cast:** Alex Brightman (Dewey Finn), Sierra Boggess (Rosalie Mullins), Spencer Moses (Ned Schneebly), Mamie Parris (Patty), Isabella Russo (Summer), Bobbi MacKenzie (Tomika), Brandon Niederauer (Zack), Jared Parker (Lawrence), Dante Melucci (Freddy), Evie Dolan (Katie), Luca Padovan (Billy), Taylor Caldwell (Shonelle), Carly Gendell (Marcy), Ethan Khusidman (Mason), Corinne Wilson (Sophie), Shahadi Wright Joseph (Madison)

Notes: Beautiful HD capture of this wonderful show. Alex is perfectly cast as Dewey and leads the show well. A very nice capture with no obstruction, no washout, and just a couple quick dropouts. It gets a little dark at times. Filmed from the right side. The sound is excellent. Includes curtain call and playbill scan. Alex Brightman shows why he deserves his Tony Nomination with a kickass performance.

September 24, 2000, Evening | **Unknown Master**

Cast: David Shiner (Cat in the Hat), Kevin Chamberlin (Horton the Elephant), Anthony Blair Hall (Jojo), Janine LaManna (Gertrude McFuzz), Sharon Wilkins (Sour Kangaroo), Stuart Zagnit (The Mayor), Michele Pawk (Mayzie LaBird), Alice Playten (The Lorax/The Mayor's Wife), Eddie Korbich (Grandpa Who)

Notes: Pre-Broadway final performance. Includes songs cut from the final New York show, as well as the cut character, The Lorax. Sometimes mislabeled as September 30, which was the productions intended closing date. However, after getting slated by reviewers, they closed a week early and attempted to fix the show—including by having Rob Marshall take over the direction and firing many members of the creative team.

Notes: Excellent HD capture of this hilarious new musical. The cast is just too perfect in every way. Superb performances, music, and story, and a great homage to theatre and musicals. Not to be missed!

April 2024 | Jagweed's Master

Cast: Eli Gelb (Grover), Sarah Pidgeon (Diana), Tom Pecinka (Peter), Juliana Canfield (Holly), Will Brill (Reg), Chris Stack (Simon), Andrew R. Butler (Charlie)

Notes: Filmed in 4K. External audio used. Pretty much a perfect capture of this play. A head is visible in the left hand corner but I make sure it never obstructs the actors. Some of actor's heads are cut off when they stand in the recording booth if they're positioned far back (see screencaps). Mainly filmed in wides with mediums when appropriate. Recording includes the curtain call and marquee. MP4 12.5 GB never gift

October, 2025 (Evening) | soysaucepierre's Master

 **Cast:** Rachel Arianna (Bella Swan), Peter Stielstra (Edward Cullen), Maxwell Peters (Jacob Black/Emmett Cullen/Laurent/Mike), Aliyah Necaise (Aro), Cosmo Coniglio (Charlie Swan/Jasper Hale), Jackson West (Dr. Carlisle Cullen), Stephanie Boyd (Esme Cullen/Angela), Kyra Young Hood (Rosalie Hale), Carly Nadeau (Alice Cullen), Ryan Wagner (Tyler/James), Allie Grace Ember (Jessica/Victoria), Jacob Watson (Ensemble), Mason Sammarco (Ensemble)

Notes: : Excellent up-close stagershot of this crazy parody musical of Twilight! Shot from front row with a diagonal-right view. This show was mildly immersive so actors would occasionally interact with me. Small moments of action happened in the aisles behind me, and this is missed. You will hear my laughter throughout the show, 'twas very comical. Readjustment along with occasional shakiness and underexposure throughout. TLDR: The best part of this show was how much fun the band was having (i love you band).

Notes: An amazing capture of this new musical before its West End transfer, possibly without Wolfe. Shot from the side. Some brief focus issues, nothing major. Recording includes the curtain call and a shot of the outside of the theatre. Info: Filmed in 4K. External audio used.

Waitress | Broadway

April 2019 | **starcuffedjeans' Master**

Cast: Shoshana Bean (Jenna), Charity Angél Dawson (Becky), Molly Jobe (u/s Dawn), Jeremy Jordan (Dr. Pomatter), Eddie Jemison (Ogie), Benny Elledge (Cal), Larry Marshall (Joe), Ben Thompson (Earl), Melody A. Betts (Nurse Norma), Stephanie Torns (Francine Pomatter), Tess Murphy (Lulu), Molly Hager (Mother), Dan Tracy (Father)

Notes: A nearly perfect video and ABSOLUTELY PERFECT performance. Small obstructions occur at Joe's table (but who cares) and during Negative. The rest of show, however, is captured gorgeously (and this time not diagonally). The video is very Shoshana focused, but I try to give everyone (yes, Jeremy too) their moments. The colors are absolutely vivid and I was trying new stabilization settings on my camera and god I'm gonna keep it this way. Do not list this video with an exact date

 **Notes:** Joey McIntyre's last show as Fiyero. This is the infamous show which should have also been Idina Menzel's final performance, but due to her trap door injury the night before, Shoshana went on instead. Shot from the right mezzanine and wobbly in places but generally has clear picture and sound. Act 2 is sound only for the first five minutes, and the last 3 minutes of Joey's goodbye. Includes Idina's appearance in the final scene, curtain call and speech.
