APPLICATION FOR THE INTERNATIONAL VIRTUAL ENVIRONMENTAL HISTORY CONFERENCE
(IVEHC)

Call for International Virtual Environmental History Conference (IVEHC) 2013

Ecohistorical discussion, the Student Council of the University of Zadar and the Society for Croatia's economic history and ecohistory are organizing an international virtual environmental history conference (IVEHC). The conference theme is environmental history as a new interdisciplinary scientific discipline. The working languages are English and Croatian. We urge the authors to apply for this virtual conference. It is possible to sign up as an individual presenter, as a member of the section or to propose your own section with a set of at least three presentations. One section will be dedicated to the professional part meaning that in such section the presentation of your own ideas, workshops, films, events and similar matter related to environmental history are possible. Dates of the conference are 22 and 23 November and abstracts according to the instructions and application for participation should be submitted by 1 September on the following e-mail address ivehc.zd@gmail.com. Acknowledgment of receipt shall be submitted ended 15th of September. Authors can sign up independently or as co-author of paper. The number of works by a single author is unlimited. Registration for the conference is online using the application form for registration and dedicated feed as directed. The conference will take place through suitable software for conferences on which participants will be notified at the time.
