

POWERFUL TEACHING

- Download the bingo card (File > Download) and put an X in the box when you complete the goal
- Complete 10 boxes (two vertical, horizontal, or diagonal bingos) for a digital copy of the DIY Retrieval Guide
- Complete all 25 boxes for an exclusive 1-hour Zoom with Dr. Agarwal
- Email ask@retrievalpractice.org with a screenshot and describe (retrieve!) two things you learned

B I N G O

Have students complete a brain dump during class	Share an evidence-based teaching tip on social media	Read Powerful Teaching	Ask 5 friends to subscribe for our newsletter	Share resources to help students study smarter
Listen to the Cult of Pedagogy podcast about retrieval practice	Watch Dr. Agarwal's keynote on YouTube	Read at least 3 recommended research articles	Use a free template or figure from Powerful Teaching in class	Watch 3 videos on our YouTube channel
Read 1 practice guide	Use the two things strategy during class	 FREE SPACE!	Follow Dr. Agarwal on Facebook , Twitter , or LinkedIn	Read a free e-book by cognitive scientists
Brainstorm a research project in your classroom or school	Read Make it Stick	Post a rating or review for Powerful Teaching on Amazon	Read all 7 practice guides	Incorporate interleaving in your lesson plans
Join the Powerful Teaching Facebook group	Learn about at least 5 cognitive scientists	Use our free professional development slides	Explore the retrieval practice experiment database	Complete all 5 reading challenges
