A NOTE FROM THE PRINCIPAL'S DESK

We'd like to start off with congratulating Ms. Miller and the HCMS bands who had a wonderful concert on Wednesday evening! We are so proud of our students and how they performed.

While there are only 14 days left in the school year, it is important to ensure your children come to school prepared to work. They need to be bringing their charged device to school to use for school work. We are also asking for home support in reiterating to them that chromebooks are to be used only to complete school assignments during the school day.

We would like to work as a team to ensure that students are also keeping their phones up and away during the school day, as per HCPSS Policy 8080. Students who are not following this policy will be addressed by administration and will have to check-in their phones each day in the office. We also need your support in not calling or texting your children during the school day. Please call the school at 410-313-6929 and we will get the message to your child. We also have a dedicated phone in the Front Office for students to use if they need to get in contact with home. We have 14 days of school left, and we want to make sure your children have a good end to the school year.

SCHOOL SAFETY

We appreciate everyone's help in making sure that our school is as safe as possible. All exterior

doors are locked after arrival each morning, but to maintain safety and security it is important that we all do our part:

- Do not let anyone in through doorways around the school.
- All visitors or anyone arriving late needs to check-in at the front lobby using the buzzer. We know it is in our nature to be nice and hold the door, but please do not let in people you do not know. The front office staff will be focusing on groups coming to the buzzer and ensuring that all parties check-in properly. If it is difficult for you not to be friendly, be "friendly-nosy." "Good morning, your Sally's dad aren't you. Are you dropping off her oboe this morning?" Their response will indicate if you need to follow the last reminder included in this list.
- Doors shouldn't be propped open or held for people you do not know.
- If you see something suspicious, report it to a teacher, administrator, or other staff member.

We are increasing our signage around the building to remind everyone of this important information. Thanks for doing your part to help keep our school.

IMPORTANT BUS REGISTRATION INFORMATION

Parents/guardians whose children are eligible for bus transportation are asked to register to receive bus service each year to help the school system plan for student transportation needs. **The transportation registration process opened on Monday, April 8 and is open through May 31, to be completed online via HCPSS Connect Synergy.** Registration must be done for each eligible child.

To be eligible for bus service, your child's home address must be outside of a school's walk zones. You can verify address eligibility in the [HCPSS School Attendance Area Locator](#). After inputting your address, a window will appear that will indicate either bus or walk for each school level. Please note, the attendance area locator also includes a link for the bus stop locator, which is set for the current school year. Bus stop information for the 2024-2025 school year will be available in August.

You do not need to take any action if:

- Your child is not eligible for bus transportation
- Your child receives transportation as part of their Individualized Education Program (IEP) or 504 Plan, or
- Your child is a graduating senior

[Details on bus transportation registration](#), including a guide to register and scenarios families may see when registering, can be found online.

IMPORTANT BULLYING INFORMATION

As we approach the second half of the school year, we wanted to remind you that HCPSS is dedicated to providing a safe and supportive environment that focuses on student well-being. We are taking this time to uplift the importance of reporting any type of bullying that has occurred. We will be reviewing this with our students and staff as we start the second half of the school year, and hope that you too can uplift this at home.

For children facing the emotional toll of bullying, a supportive individual can make all the difference. Please encourage your children to reach out to a trusted staff member at school should they need to report anything. As parents and guardians, you will use the same reporting form as students by following the steps outlined below.

How do I report bullying?

1. When you believe bullying has taken place, you should report it through the Bullying, Cyberbullying, Harassment and Intimidation (BCHI) reporting form. Reporting can take place in one of three ways:

- Complete a [BCHI online reporting form](#)
- BCHI paper reporting form (available in the main office, staff workroom, school counseling office, media center, and health services office)
- An oral report to a staff member

2. It is important to note that policy states "in the event the reporting party does not complete a BCHI Reporting Form, school administrators/supervisors will take the appropriate steps to address and document the incident." Therefore, if you or someone else makes an oral report, it then must be documented (i.e. through a BCHI reporting form) by the administrator.

Thank you for your partnership and attention to this important topic.

HCPSS FREE STUDENT RTA BUS PASS PROGRAM

Thanks to a continued partnership between HCPSS, Howard County Government, and Regional Transportation Agency (RTA), all HCPSS middle and high school students have access to free RTA bus passes through summer 2024. Students have full access to the RTA system and are not limited to transportation to and from schools or to school-related activities. If your child is interested, they

can visit our front office to request a free pass.

SCHOOL MEALS

HCPSS no longer will use Nutrislice for school menus or MySchoolBucks* for meal payments and instead is offering a new parent site for all things food and nutrition. [LINQ Connect](#) is a secure, online portal that allows families to:

View breakfast and lunch menus

Make online payments to their child's meal account

Monitor their child's accounts

Schedule recurring payments and/or low balance alerts

Submit an online application for the Free and Reduced Meals program

Please review [HCPSS meal information](#) and find information on FARMs (Free and Reduced Meals). [Applications](#) must be completed every year. Students whose families do not qualify for the free or reduced lunch program will be required to pay the daily meal price for lunch - \$3.30. Students are welcome to bring their own lunch, however we do not accept food deliveries from other vendors (DoorDash, Grubhub, Uber Eats, etc.).

Breakfast will be provided to all students at no cost. Breakfast will be served from 8:20 - 8:35 a.m. All outside breakfast items (including drinks) are prohibited from being consumed in school during this time.
