

POTENTIAL EXPANSIONS

Because of the support we've received from our awesome backers, **we were able to reach our \$19k stretch goal** for a **backer-chosen expansion**! Below, you can find information about several potential future expansions for GriMagia. If you helped fund GriMagia on Indiegogo, you can vote for your favorite expansion out of these ten using the link provided to you via email. The winning expansion will be made into a real expansion for the card game after the release of the initial game and Egypt-themed expansion!

Help your favorite expansion gain support! You can send us art, stories, or any other media you've created in support of your favorite expansion and we will feature it on our Indiegogo update page for all to see (with credit to you, of course!). Get that hype train going!

Email submissions to: grimagia@gmail.com

Include the name/alias you want us to credit you as, and your art page if you have one.

NOTE: *Details are subject to change as mechanics are playtested and concepts are refined. All expansion names are working titles and will be changed when the expansion(s) are officially released.*
