

This is a sign up sheet for teachers with cold kiddos in the classroom due to weather or heating issues. We are sending emergency (hiking) blankets to help until the heat is repaired/maintained in your buildings. These blankets are Mylar, so you should not have an issue with spreading any little critters or germs! ;) Please sign up your class below and a donor will get the blankets into the mail to you ASAP!

Donors - Please do what you can to help the cold kiddos! We know that this is actually a bigger issue and that this is NOT enough, but it will help in the right now! **AND - if there is not a classroom in need at the time you check this list, please check back. I'm sure more classes will be added as the word gets around that this option is available to help the kids and teachers in Baltimore (and beyond).**
