

Privacy Policy for Brick Center

Last updated: March 30th, 2024

Welcome to Brick Center, your go-to AI brick generator. We are committed to protecting the privacy and security of our users' information. This Privacy Policy outlines the types of information we collect, how it's used, and the steps we take to protect your personal information.

1. Information We Collect

a. Personal Information: This includes information that can identify you as an individual, such as your name, email address, and potentially your IP address, which are collected only when you voluntarily provide them to us through registration, feedback forms, or other interactions.

b. Usage Data: We automatically collect information on how the Service is accessed and used ("Usage Data"). This Usage Data may include details such as your computer's Internet Protocol address (e.g., IP address), browser type, browser version, our Service pages that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers, and other diagnostic data.

c. Cookies and Tracking Data: We use cookies and similar tracking technologies to track the activity on our Service and hold certain information. Cookies are files with a small amount of data which may include an anonymous unique identifier.

2. How We Use Your Information

The information we collect is used in various ways, including to:

- Provide, operate, and maintain our website
- Improve, personalize, and expand our website
- Understand and analyze how you use our website
- Develop new products, services, features, and functionality
- Communicate with you, either directly or through one of our partners, including for customer service, to provide you with updates and other information relating to the website, and for marketing and promotional purposes
- Send you emails
- Find and prevent fraud

3. Sharing Your Personal Information

We do not sell, trade, or rent your personal identification information to others. We may share generic aggregated demographic information not linked to any personal identification information regarding visitors and users with our business partners, trusted affiliates, and advertisers for the purposes outlined above.

4. Security of Your Personal Information

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

5. Your Data Protection Rights

Depending on your location, you may have rights under data protection laws to access personal information we hold about you and to ask that your personal information be corrected, updated, or deleted. If you wish to exercise these rights, please contact us at [contact information].

6. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the "last updated" date at the top of this Privacy Policy.

7. AI-Generated Brick Creations Usage Rights

a. Public Nature of Creations: Users of Brick Center should understand that AI-generated brick creations submitted or shared on the platform may be considered public. By creating and sharing these designs with our AI tool, users agree that these creations can be viewed, accessed, and used by Brick Center and other users around the world.

b. Usage by Brick Center: Brick Center reserves the right to use, display, reproduce, and distribute any AI-generated brick creations submitted by users on the platform for the purpose of promoting Brick Center, showcasing the capabilities of our AI tool, and enhancing user experience. This may include, but is not limited to, featuring these creations on our website, in promotional materials, or on social media platforms.

c. Non-Commercial Usage: While AI-generated brick creations are publicly accessible and may be used by Brick Center and its community, such usage is limited to non-commercial purposes only, unless explicit permission is obtained from the creator. Users and third parties are permitted to share, reproduce, or display these creations for personal, educational, or non-commercial uses, provided that they give appropriate credit to the original creator and Brick Center, and do not imply any endorsement by the creator or Brick Center.

d. Creator Rights for Paid Creators: Only paid creators retain ownership of their original AI-generated brick designs. By subscribing to our platform as a paid creator and sharing their creations, these creators grant Brick Center a non-exclusive, royalty-free license to use, display, and distribute their designs. However, this does not affect their ownership rights, allowing them to use their designs for any purpose, including commercial use, outside of Brick Center.

Non-paid users agree that their AI-generated creations become the property of Brick Center upon submission and can be used by the platform and its community under the terms outlined above.

e. Reporting Misuse: If you believe that an AI-generated brick creation is being used in a way that violates these terms or infringes upon your rights, please contact us at 276641010@qq.com. We are committed to addressing such concerns promptly and enforcing these usage terms to protect the rights of our creators and users.
