

Hello everyone!

Tomorrow's check in will take place in the student parking lot of Eastern High. Any personal vehicles brought by students or guardian chaperones are safe to leave in the parking lot for the duration of the trip, as it will be locked upon our departure.

Check in will be from 8:30am – 9:30am. PLEASE be sure to have all of your necessary forms printed and filled out to be collected by Mr. Denbrough at check in.

The bus will be leaving promptly at 9:30 so we can make it to the resort in time for the 12pm check-in. We've attached the final cabin assignments spreadsheet to this email so you can meet up with your cabin somewhere along our 2.5 hours journey. Phone numbers of your fellow chaperones are also included in the back of the initial information packet sent with last week's email.

We'll go over logistics with the students about 10 minutes before the scheduled rest stop on the drive up.

Thanks so much for everything you've all done so far. We're excited for a smooth and fun trip!

See you tomorrow,

Edward Kaspbrak
