**School-Parent Compact 2023-24**

Greensferry Elementary, the parents of the students participating in activities, services, and programs funded by Title 1, Part A of the Elementary and Secondary Education Act (ESEA), and participating students, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help students achieve the Idaho State Achievement Standards.

**School Responsibilities**

School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables students to meet the Idaho State Achievement Standards. We are committed to ensuring that a minimum of 75% of all students in grades K-3 will achieve a proficient score on their spring Istation Idaho Reading Indicator test.
2. Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual student's achievement.
3. Provide parents with frequent reports on their children's progress.
4. Provide parents reasonable access to staff.
5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities.
6. Provide a well balanced program to include physical activity.
