CY 2023 Annual Report
(Office)

Chapter 2: Support to the Innovation Ecosystem

This template includes all the Chapters of the CY 2023 Annual Report, except Chapter 1, which covers the basic information about USTP Claveria. You may include only the Chapter(s) applicable to your office, but please do not change the Chapter number. Also, before you present the highlights of your accomplishments, please include a short introductory paragraph.

TITLE OF HIGHLIGHTED ACCOMPLISHMENT

For every highlighted accomplishment, please indicate a title of it for easy reference in the consolidation. Please also include a short narrative or description of the said accomplishment. It does not need to be a long article; a short and concise description will do.

This is a sample photo. Please include captions for every photo in your report.

Chapter 3: Teaching, Learning, and the Curriculum

If your accomplishment needs to be presented through a table, please refer to the table below as an example.

Table 1. Graduates of USTP Claveria
