We are painting the trailer this Wednesday/Thursday in class

The trailer without the wrap needs to be primed before we can get it re-wrapped. Our plan is to have students help *who are interested* on Wednesday and Thursday during their class periods. IF your student is interested, please have them wear clothing they can paint in.

If anyone else has rollers, extension poles, paint trays, etc., that they don't mind letting us borrow, that would be hugely helpful! We will make sure all of your equipment is returned to you.

Graduation Band rehearsal is Wednesday after school

If you have been asked to play in the composite Graduation Band, we will have a short, one-hour rehearsal this Wednesday after school

Inventory check is this Friday

Thursday at 5:30 PM is our first ever Concerto Finals for our 10 advancing students. Come and support your peers and hear some fantastic performances of solo literature, then stay to hear our medalists be announced!

Everything Day is this Saturday

Registration for the 2025-2026 band is this Saturday!

Everything Day will start at 9:30 AM in the Liberty Hill HS Cafeteria (look for the exterior door #11, by the covered bus awning - we'll have helpers directing you to the cafeteria):

- 9:30 AM - Last name **A-Fe**
- 10:30 AM - Last name **FI-KI**
- 11:30 AM - Last name **Ko-Pe**
- 12:30 PM - Last name **Po-Y**

Can you help us with transportation next football season?

Please share this information with **anyone** you think might be interested!

As you know, we are short on bus drivers for the Friday football games that are played away from our stadium. The two dates we are looking at in particular are Friday, Sep. 5 (Rouse HS) and Thursday, Sep. 18 (Connally HS).

Are there any parents, teachers or community members that are interested in getting CDL certified? We only need 4 drivers to get to where we need to go on time.

Getting a CDL license and being prepared to drive the band students can take about 3 to 4 months, so **now** is the time to start looking into this!
