ABSTRACT

Write your abstract here. Abstract contains a brief introduction to the problem, objective of paper, research methods and a brief summary of result. Abstract is single-spaced typed in English maximum 250 words. Written with Garamond (10 pt).

KEYWORDS: keyword 1, keyword 2, keyword 3, keyword 4, keyword 5

1. INTRODUCTION

The introduction should be clear and provide the legal issue to be discussed in the manuscript. Before the objective, author should provide an adequate background, and very short literature survey in order to record existing solutions, to show in which is the best of previous researchers, to show what do you hope to achieve (to show the limitation), and to show the scientific merit or novelties of the manuscript. At the end, you should explain the urgency and clearly state aims of your study. At the end, you should explain the urgency and clearly state aims of your study and mention problem of the research in this section.

2. RESEARCH METHODS

This method is written in descriptive and should provide a statement regarding the methodology of the research, include the type of research, research approach, a source of data and analysis method. The author should explain the mechanism to analyze the legal issue. This method as much as possible to give an idea to the reader through the method used, this method is optional, only for an original research article. (For Conceptual Ideas Without Research Method).

3. RESULTS AND DISCUSSION

3.1 The answer to the first question (bold, 12 pt.)

3.2 The answer to the second question (bold, 12 pt.)

Results should be clear and concise. Discussion should explore the significance of the results of the work, not repeat them. Avoid extensive citations and discussion of published literature

Table

Number tables consecutively in accordance with their appearance in the text. Place footnotes to tables below the table body and indicate them with superscript lowercase letters. Avoid vertical rules. Be sparing in the use of tables and ensure that the data presented in tables do not duplicate results described elsewhere in the article. Below are some examples of the ministries that are mentioned in table 1.

Table 1. Ministries Mentioned in Statutes

No.	Ministries	Statutes
1	Ministry of Defence	Law No. 3 of 2002 concerning National Defence; Law No. 34 of 2004 concerning the Indonesian National Defence Forces (TNI); and Law No. 16 of 2012 concerning the Defence Industry
2	Ministry of Foreign Affairs	Law No. 37 of 1999 concerning Foreign Relations; Law No. 24 of 2000 concerning International Agreements; and Law No. 1 of 1982 concerning the Ratification of the Vienna Conventions on Diplomatic and Consular Relations
3	Ministry of Home Affairs	Law No. 23 of 2014 concerning Regional Government; Law No. 6 of 2014 concerning Villages
4	Ministry of Marine Affairs and Fisheries	Law No. 27 of 2007 concerning the Management of Coastal Areas and Small Islands, as amended by Law No. 1 of 2014; Law No. 32 of 2014 concerning Marine Affairs.

Table 1 shows there are many ministries mentioned in the statutes, such as these provide limitations for the government if it wants to reform them. The government may not be able to dissolve or merge them, as this will be not per the laws. Furthermore, if a ministry under such law is dissolved, there will be questions on how the law will be implemented if the responsible ministry no longer exists. Therefore, in reforming the structures of government institutions in Indonesia, it is important to fully examine all relevant legislation that constitutes the legal basis for the establishment of such institutions.

4. CONCLUSION

The main conclusions of the study may be presented in a short Conclusions section. The conclusion section should lead the reader to important matter of the manuscript

5. ACKNOWLEDGMENTS

Contains acknowledgments to funding institutions, and/or individuals who have assisted in conducting research and writing manuscripts. Recognize those who helped in the research, especially

funding supporter of your research. Include individuals who have assisted you in your study: Advisors, Financial support, or may other parties have involved on the research.

6. CONFLICTING INTEREST STATEMENT

Please state any conflicting interests of this publication and research. If there is no, please type: The authors state that there is no conflict of interest in the publication of this article.

REFERENCES

Please automatically insert bibliography. The direct and valid link for all web pages or online news should be provided. For Laws and Regulation can be written separately and manually (if the author has difficulty writing down the source of the laws and regulations using Mendeley). The source of the laws and regulations must be accompanied by the source link of the laws and the number of the state gazette. For journal articles, it must be accompanied by a valid DOI link, or if there is no DOI, it must include a link to the intended article.

Use of a tool such as Zotero, Mendeley, or EndNote for reference management and formatting, and choose style Modern Humanities Research Association 3rd edition style
