PROSPECT #6: CrookedKey (outreach sent, yes or no?) → Yes.

Howdy Mate!

PS. If you do have Hemorrhoids..., I'm not liable.

First, I just wanted to give some (no BS) props on your Edgar Allan room, or should I say... Taphophobia?

The way you implemented Poe's works into the actual live experience of the damn room, I was pretty damn thrilled.

Okay, so now how's that dopamine feeling?

Haha, nah it's all love.

Let me get to the real reason I sent this message.

I just wanted to ask you a simple question...

Do you genuinely have a hard time managing your new customers, let alone your loyal ones?

If the answer just now was Yes, then don't worry...

I've seen millions of Escape Room owners & businesses within this department always neglect this one key aspect that KILLS their closing rates, customer retention, and overall PROFITS towards THEIR business...

No, this isn't some "new million-dollar sales page" or "this new method of funneling that cures cancer."

This is simply a proven & efficient way of:

Retaining LOYAL customers with ease.

and:

Increasing your PROFITS while you sleep.

And so... (little side note)

To show my appreciation for your care of your customers' experience...

Below, I've attached a FREE email that you're welcome to use however you'd like:

[Link to the Google Docs document]

So, if you're committed to making yourself and your business more money...

Feel free to reply to my email & we'll discuss business.

If not...

Then no problem, I have many other clients waiting for me.

Take care,

Adrian.
