

Activity 5

Counting and
Matching
Numbers

Task: Counting and matching number cards to the amounts
Use your fingers to count and sing along to the song.

Write the numerals 1-5 on pieces of paper and mix them up.
Ask your child to find a particular number between 1-5 e.g. 3
and see if they can find the number 3 out of the cards.

As a challenge try it with the numbers 1-10.
