

X-Flush Petrol

PETROL INJECTION SYSTEM CLEANER

DESCRIPTION

Removes deposits from injectors, injection pump and combustion chambers. Ensures engines run smoother and optimum performance & reliability. Reduces emissions. Harmless to catalytic converters.

PROPERTIES

- Smooth engine running, less noise and vibrations
- Greater fuel economy
- Increases power and engine efficiency
- Improves engine reliability
- Reduces toxic emissions and smoke
- Immediate results
- Harmless to catalytic converters and Gasoline Particle Filters
- Cleans EGR systems

APPLICATION

Run the engine on X-Flush Petrol (1L for 1 treatment) by using a fuel system cleaning machine (like our , follow the instructions of the machine.) Suitable for all Petrol engines of cars, vans and trucks. For both preventive and problem-solving applications.

TYPICALS

Physical state: liquid

Colour: colourless

Odour: earthy

Boiling point: > 35 °C

Flash point: < -30 °C

Density: < 1 kg/l

Lower explosion limit: 1,1% Vol.

Upper explosion limit: 12,7%

PACKAGING

5L can (2 x 5L/carton)
