PROFESSIONAL SUMMARY

Creative and detail-oriented UI/UX Designer with 5+ years of experience designing digital products, interfaces, and systems for web and mobile. Proven ability to lead design processes, collaborate with cross-functional teams, and improve user experience and usability through research-driven design. Passionate about delivering pixel-perfect designs and developing scalable design systems.

EXPERIENCE

UI/UX Designer

Cascade Revenue Management (Full-time) | Kochi | Sept 2025 – Present

- I worked on improving the user experience of Enterprise Medical Billing Application , by redesigning and introducing new design system
- Worked on improving the scheduling process of Field Management management software.

Freelance UI/UX Designer | May 2024 – Sept 2025

- Worked with clients including Cognome and other independent projects. • Delivered end-to-end product design and UX consultation.
- Continuously upskilled through online learning platforms, expanding knowledge in Framer, user research methods, and front-end technologies to stay current with design trends and tools. And doing advanced UI/UX Design certification course from IIIT Bangalore.

UI/UX Designer

Cognome (Full-time) | Nov 2022 – Apr 2024

- Led the redesign of Atlas (OHDSI tool) to improve user experience and usability.
- Developed a scalable and consistent design system.
- Worked closely with the product manager and engineering team.

Product Designer

Crystal Bi Technologies | Oct 2020 – Nov 2022

- Designed UI for Pet24Care pet service product.
- Delivered responsive web and mobile designs for PositraRx.
- Handled HTML and CSS implementation for certain modules.

Associate UI/UX Designer

Infocom Software | Dec 2019 – Sep 2020

- Participated in design phases of multiple projects.
- Contributed to wireframes, visual design, branding, and social media creatives.
