Junior Achievement

This week we had Junior Achievement. Ms. Tiffany from Nicolet Bank taught us about how to run a business. One time we played this game where she said a business name and we had to guess what kind of business it was. Another activity is where a group of people got a region and we had to use the resources to make a business. It was very fun! We learned a lot for Ms. Tiffany!

Junior Achievement with Ms. Tiffany

Upcoming Events

- Daylight Saving Time begins Sunday, March 9
- No school March 10 - 14
- National Drug & Alcohol Facts week starts Monday, March 17
- Happy birthday, Evan! Saturday, March 22
- Happy birthday, August! Monday, March 24
- Quarter 3 ends Monday, March 24
- No school Friday, March 28

We Finished Our Book!

This week the class read to the end of *Blood on the River: James Town 1607*. It was a historical fiction novel, filled with many true facts about the early Virginia colony. The class learned about the difficult relationship between the English colonists and the native people, and how the real Captain John Smith and Pocahontas did their best to smooth things over. (It isn't anything like the Disney movie, in case you're wondering!) The class also discovered how much research the author did to write the book, including visiting a re-created James Town and Native American village.

School resumes Monday, March 17
